

**RESOLUTION 11 of 2025**  
**AUTHORIZING CHIEF EXECUTIVE OFFICER TO SIGN A CONTRACT FOR**  
**SHARED HIGHWAY SERVICES ON BEHALF OF THE**  
**VILLAGE OF STAMFORD**

For regular meeting of the Village Board of the Village of Stamford duly held at the Stamford Village Hall 84 Main Street Stamford NY 12167, in such village on the 20<sup>th</sup> day of May, 2025.

Resolution authorizing the Village Mayor to sign a contract on behalf of the Village of Stamford to permit the highway department head to share services with the highway department head in other municipalities who possess similar authorization for the borrowing or lending of materials and supplies and the exchanging, leasing, renting or maintaining of machinery and equipment, including the operators thereof, for the purpose of aiding the highway department head in the performance of his duties.

Whereas, all municipalities, including the Village of Stamford have the power and authority to contract for the purpose of renting, leasing, exchanging, borrowing or maintaining of machinery and equipment, with or without operators, with other municipalities, and;

Whereas, all municipalities, including the Village of Stamford, have the power and authority to borrow or lend materials and supplies to other municipalities; and

Whereas, it is hereby determined that the Village of Stamford and other municipalities have machinery and equipment which is not used during certain periods, and;

Whereas, it is determined that the Village of Stamford and other municipalities often have materials and supplies on hand which are not immediately needed, and;

Whereas, it is hereby determined that by renting, borrowing, exchanging, leasing or maintaining highway machinery and equipment and the borrowing or lending of materials and supplies, the Village of Stamford and other municipalities may avoid the necessity of purchasing certain needed highway machinery and equipment and the purchasing of or storing a large inventory of certain extra materials and supplies, thereby saving the taxpayers money, and;

Whereas, it is recognized and determined, from a practical working arrangement, that no program of borrowing, exchanging, leasing, renting or maintaining of highway machinery and equipment or borrowing or lending of materials can be successful if each individual arrangement or agreement has to receive prior approval by the Village of Stamford Board of Trustees and the governing board of each of the other municipalities which may be parties to such agreements, since such agreements must often be made on short notice and at times when governing boards are not in session, and;

Whereas, it is incumbent upon each municipality to design a simple method whereby materials and supplies, equipment and machinery, including the operators thereof, may be

obtained or maintained with a minimum of paperwork and inconvenience and with a swift approval process, and;

Whereas, it is the intent of the Village of Stamford to give the Highway Superintendent the authority to enter into renting, exchanging, borrowing, lending or maintaining arrangements with the persons serving in similar capacities in other municipalities without the necessity of obtaining approval of the Board of the Village of Stamford prior to the making of each individual arrangements, and;

Whereas, it is hereby determined that it will be in the best interest of the Village of Stamford to be a party to such shared services arrangements;

NOW THEREFORE BE IT RESOLVED that the Village Mayor is hereby authorized to sign on behalf of the Village of Stamford, the following contract:

1. For purposes of this contract, the following terms shall be defined as follows:

a." - i. the renting, exchanging or lending of highway machinery, tools and equipment, with or without operators;

  - a. The Village of Stamford agrees to rent or exchange or borrow from any municipality any and all materials, machinery and equipment, with or without operators, which it may need for the purposes of the Village of Stamford. The determination as to whether such machinery, with or without operators, is needed by the Village of Stamford, shall be made by the superintendent. The value of the materials or supplies borrowed from another municipality under this agreement may be returned in the form of similar types and amounts of materials or supplies, or by the supply of equipment or the giving of services of equal value, to be determined by mutual agreement of the respective superintendents.
  - b. The Village of Stamford agrees to rent, exchange or lend to any municipality any and all materials, machinery and equipment, with or without operators, which such municipality may need for its purposes. The determination as to whether such machinery or material is available for renting, exchanging or lending shall be made by the superintendent. In the event the superintendent determines that it will be in the best interest of the Village of Stamford to lend to another municipality, the superintendent is hereby authorized to lend to another municipality, within a reasonable length of time. The value of supplies or materials loaned to another municipality may be returned to the Village of Stamford, by the borrowing municipality in the form of similar types and amounts of materials or supplies, or by the use of equipment or receipt of services of equal value, to be determined by the respective superintendents.

However, the method by which the machine is to be operated shall be determined by the operator.
  - e. When receiving the services of an operator with a machine or equipment, the receiving superintendent shall make no request of any operator which would be inconsistent with any labor agreement that exists for the benefit of the operator in the municipality by which the operator is employed.
  - f. The lending municipality shall be liable for any negligent acts resulting from the operation of its machinery or equipment by its own operator. In the event damages are caused as a result of directions given to perform work, then the lending municipality shall be held harmless by the borrowing municipality.
  - g. Each municipality shall remain fully responsible for its own employees, including salary, benefits and workers compensation.
4. The renting, borrowing or leasing, repairing or maintaining of any particular piece of machinery or equipment, or the exchanging or borrowing of materials or supplies, or the providing of a specific service shall be evidenced by the signing of a memorandum by the superintendent. Such memorandum may be delivered to the other party via mail, personal delivery, facsimile machine, or any other method of transmission agreed upon. In the event there is no written acceptance of the memorandum, the receipt of the materials or supplies or the acceptance of a service shall be evidence of the acceptance of the offer to rent, exchange or lend.
5. In the event any shared services arrangement is made without a memorandum at the time of receipt of the shared service, the superintendent receiving the shared service shall within five days thereof, send to the provider a memorandum identifying the type, time and date of the acceptance of the repair or maintenance shared service. In the event such shared service related to or included any materials or supplies, such memorandum shall identify such materials or supplies and time and place of delivery.
6. In the event a municipality wishes to rent machinery or equipment from another municipality or in the event a municipality wishes to determine the value of such renting for the purposes of exchanging shared services or a comparable value, it is agreed that the value of the shared service shall be set forth in the memorandum.
7. All machinery and the operator, for purposes of workers compensation, liability and any other relationship with third parties, except as provided in paragraph e of section

8. In the event machinery or equipment being operated by an employee or the owning municipality is damaged or otherwise in need of repair while working for another municipality, the municipality owning the machinery or equipment shall be responsible to make or pay for such repairs. In the event machinery or equipment is operated by an employee of the borrowing, receiving or renting municipality, such municipality shall be responsible for such repairs.
9. Records shall be maintained by each municipality setting forth all machinery rentals, exchanges, borrowings, repair or maintenance and other shared services. Such records will be available for inspection by any municipality which has shared services with such municipality.
10. In the event a dispute arises relating to any repair, maintenance or shared service, and in the event such dispute cannot be resolved between the parties, such dispute shall be subject to mediation.
11. Any party to this contract may revoke such contract by filing a notice of such revocation. Upon the revocation of such contract, any outstanding obligations shall be settled within thirty days of such revocation unless the parties with whom an obligation is due agree in writing to extend such date of settlement.

No shared services shall be conducted by the superintendent except with the Superintendent of a municipality that has completed a shared services contract and has sent a copy thereof to the clerk of his municipality and the superintendent.

IN WITNESS THEREOF, the Village of Stamford has by order of the village board, caused these presents to be subscribed by the Chief Executive Officer, and the seal of the Village to be affixed and attested by the Clerk thereof, this 20<sup>th</sup> day of May, 2025.
