## APPENDIX A- PROPERTY PLAN INSTRUCTIONS

- I In developing you property plan please make sure the plan has the minimum drawn or noted
  - a) Property boundaries
  - b) Existing Property features
    - Buildings/ Structures
    - ➤ Well/septic location, if applicable
    - Parking locations/number of spaces
    - > Fire extinguisher locations
    - Adjacent street(s)
    - > Water bodies on property
    - > Neighboring building s within 100'
- II Any number of methods of generating a property plan are acceptable
  - a) Hand drawn to scale
  - b) CAD drawing
  - c) Web based map. This is by far the easiest way to generate a property plan. The easiest way to do this is by using the Delaware County C.O.M.I.T website. To create a property plan using this website
    - 1. Got to the Delaware County C.O.M.I.T website, <a href="https://spatial.vhb.com/comit/">https://spatial.vhb.com/comit/</a>
    - 2. The Site will open with a map of Delaware County to the right of the screen
    - 3. In the upper left hand corner of the map, type in the STR property address
    - 4. The property will come up on the screen, satellite view, roughly centered with a grey dot, property boundaries and Property Tax ID#
    - 5. On the right hand side of the map, on the tile ribbon, click the Print icon
    - 6. The Export Screen will open
    - 7. At the top of the box type in a file name for the map
    - 8. Select page setup type is defaulted to landscape A3, which should work fine. Other options are available
    - 9. PDF file format is the default format. This is the recommended file format
    - 10. Click EXPORT button towards the bottom of the box
    - 11. At the bottom of the box under Exported Files your file name with a .pdf extension will appear
    - 12. Click on this file extension, your PDF map will open
    - 13. Save this file to your computer
    - 14. Print file and add information required above
    - 15. Attach property plan to your permit application
