PLOWING OF PRIVATE ROADS

Hereafter:

The Town will plow private roads, only when:

1. The way has been plowed for the past three years (2 or more residences located thereon).
2. The way is of suitable width for Town Highway trucks to negotiate.
3. There is adequate turn around if one is needed.
4. New ways will be plowed if there are two or more residences located on said way, where the distance to be plowed is not over ½ mile, or in the case of 3 or more, the Town will not plow farther than ½ mile on private ways unless residences are located no farther than 500 feet apart.
5. The Town assumes no responsibility to plow any private way when, in the opinion of the driver, there is unreasonable danger to the equipment.
6. The Town assumes no responsibility for plowing of private ways until all public ways are cleared.
