IMPORTANT INFORMATION

CENSUS

The United States Census is separate from this annual street listing, which is often called the local census. The annual street listing is used to confirm your residency and keep your voter registration status up to date. It is important to return **both** annual street listing and the United States Census.

Census forms may be returned by mail or dropped off at the Town Clerk's office. If a household member has moved, please supply us with the new address and we will send out the necessary forms for change of address.

NOTICE TO PARENTS/GUARDIANS OF SCHOOL-AGE CHILDREN: Names of all children must be included on the census form, or your child's name will not appear on the authorized student school list. Please indicate on the census form if your child is a private school or home-schooled student. If not, your children will be included in the QRSD student listing resulting in a higher cost to the town.
