Recommended Improvements:

- Used truck – Finishing up small details/items, fabricating mounts for jaws

Other Info:

- UTV
 - Skid is installed, working on lights, siren & other small equipment
 - Lettering was completed & dropped off at station, needs to be mounted to body of UTV
- Tender 11-14 dump valve is being repaired (in house)
- Apparatus will begin going in for maintenance & DOT inspections
- Attack hose was tested
 - LDH testing in June
- Bay Electronics looked at radio in Engine 11-08
 - Thinks the truck alternator is causing interference w/ radio when transmitting
 - Will look to replace alternator this fall w/ one that will not interfere w/ radio
 - For now portable will be used
