Caledonia Road, Rock County

Dear «PREFIX» «FIRST\_NAME» «LAST\_NAME»:

Rock County, along with the Wisconsin Department of Transportation (WisDOT) and their consultant, Strand Associates, Inc.<sup>®</sup>, are hosting a Public Involvement Meeting for the proposed rehabilitation of a bridge along Caledonia Road over the Yahara River in the Town of Porter. **The open house meeting is scheduled for Thursday, October 5, 2023, from 6:00 P.M. to 7:00 P.M. at the Town of Porter Town Hall, located at 8809 North Wilder Road, Evansville, Wisconsin.**

The purpose of the meeting is to show the proposed roadway and bridge improvements. The current project involves the rehabilitation of the bridge along Caledonia Road located approximately 550 feet west of the intersection with Wallin Road. In addition, the roadway approaching the bridge from each direction will be reconstructed.

You are invited to attend this meeting, to ask questions, and to provide input on this project. Project exhibits will be on display for your review and project personnel will be available to discuss the improvements with you on an individual basis. Your attendance and comments are appreciated.

The facility is handicapped accessible. If you are deaf or hard of hearing and require an interpreter, you may request one by contacting WisDOT at least three working days before the meeting via the Wisconsin Telecommunication Relay System (dial 711).

If you have questions, or if you cannot attend, but would like to receive information regarding the proposed improvements, contact Consultant Project Manager Keith Behrend at 608-251-4843 or keith.behrend@strand.com.

Sincerely,

STRAND ASSOCIATES, INC.<sup>®</sup>
