

Minonk's new Rec Center will soon be having online membership sign-up and Program Registrations as well.

The site is not live yet-our goal is Friday 12/19/25 at 7:30 a.m.

You CAN go online now and set up an account. It's pretty standard stuff.

To do so, go to:

A screenshot of the 'Create Account' form on the Minonk RecDesk website. The form is titled 'Create Account' and includes the following fields: 'Name' (with sub-fields for First Name, MI, and Last Name), 'Primary Phone' (with a dropdown for country code and a text input for the number), and 'Primary Email Address' (with a text input). A blue 'Continue' button is located at the bottom right of the form. Above the form, there is a blue banner with the text 'Welcome to RecDesk' and a message for first-time users. To the right of the form, there is a red box with the text 'Online registration is currently unavailable. Please contact this department/organization directly to register for programs.' A red arrow points from the 'Continue' button to a text box that says 'You can't register yet, but you can set up your account.' Another text box to the right of the form says 'Create an account.'
