VETERAN BANNER DISPLAY

A special thank you to Abby Delvalle and all those involved in the banner display. Many have been asking to know more about the veterans. If you are willing to share information about one of the veterans on display, please contact City Hall or email us at minonkpublicevents@gmail.com. We hope to share these stories with the community soon. Thanks to all.

FLUSHING FIRE HYDRANTS

Hydrant flushing will start the week of May 11. During this time, it is normal for the water to appear discolored. It is safe to drink but letting the faucets run a few minutes should help clear it.

MINONK AMBULANCE SERVICE

Fundraiser for Minonk Ambulance Service
May 3, 2026, from 10 am - 12:00 pm in the station parking lot at 636 Jefferson Street. Hanging baskets and flowers will be available.

The Minonk Ambulance will be offering free blood pressure and blood sugar monitoring at the Minonk Farmers' Market. Stop by while you are at the market to take advantage of these quick and easy health checks, meet the crew, and ask any questions you may have about your health. If you're unable to make it to the market, you're also welcome to stop by the station during regular business hours to have these screenings done. The men and women of the ambulance service are proud to serve the community and look forward to seeing you.
