1. The site is intended to be used for the disposal of yard waste from properties located within the city limits of Backus. Do not lend your key to anyone who does not reside within the city limits of Backus. There are many people who have a Backus address but actually live in nearby townships. The site is not intended for their use.
2. The site is not for the use of individuals or businesses who provide tree removal or yard care.
3. Acceptable items include grass clippings, leaves and small branches and should be placed with like items on the piles as posted (grass clippings with grass clippings, etc.).
4. If you bag your leaves, please empty the bags and bring the bags with you.
