**RE: Recommendation of Award
Furnishing of Electrical Repair and Maintenance Services
Buena Borough MUA and Borough of Buena
Buena Borough, Atlantic County, New Jersey
Our File: 0104-L-164**

Dear Chairman Santagata:

We have reviewed the bids received on December 16, 2020 with reference to the above captioned project. The apparent low bidder was Lee-Way Electrical, LLC, 105 Morris Avenue, Landisville, New Jersey 08326. A copy of the tabulation is enclosed for your review.

Lee-Way Electrical had the lowest average hourly rate over all the hourly rate categories. The Solicitor has concurred that this is an acceptable basis for the award.

Therefore, in accordance with the Local Public Contracts Law, NJSA 40A:11-1 et seq., the contract should be awarded to the lowest responsible bidder, which appears to be Lee-Way Electrical, LLC. The award should be contingent upon approval of the MUA Solicitor and funds being available.

The MUA must now determine whether to award a contract for a one (1) year term or a two (2) year term. The hourly rates for the two (2) year term are slightly higher than the hourly rates for the one (1) year term.

By copy of this letter, we have provided Mr. Testa, Mr. Casella and Ms. Costigan with a copy of the bid via e-mail. If Mr. Testa, Mr. Casella or Ms. Costigan need to see originals of any documents, I would request that they contact my office.

Should you have any questions or require any additional information, please feel free to contact me in our Pleasantville Office.

Very truly yours,

REMINGTON AND VERNICK ENGINEERS
