Whitefield, ME 04353-3437

Dear Yolanda,

On behalf of everyone at Kennebec Behavioral Health, thank you for your generous contribution of \$1,000.00 in municipal funding. Your community's commitment to supporting behavioral health services makes a profound difference in the lives of individuals and families throughout the Town of Whitefield.

Support from municipalities like you allows KBH to continue providing critical mental health and substance use disorder services to your residents and beyond. This funding directly strengthens our ability to offset uncompensated care provided to your residents and maintain services in your community.

We are grateful for your partnership and its recognition that accessible, quality behavioral health care is essential to a thriving community. Your investment is a testament to the values that make our region stronger.

We would welcome the opportunity to share more about the impact of your municipality's support. Please do not hesitate to reach out to me directly at 207-873-2136 x 1035 or akruk@kbhmaine.org. Thank you again for investing in the health and well-being of our community.

With sincere gratitude,

Amber Kruk
