

WHITEFIELD LIBRARY

September 9, 2026

Dear Residents of Whitefield,

Whitefield Library wishes to thank you for supporting our \$20,000 request for funding Whitefield Library's Director position throughout this budget year 2026-2027.

Community support is something that we have felt many times over as our library has taken root, and that support was clearly visible at this year's Annual Town Meeting. The funding we were granted is amazing in our small town, and it speaks volumes to the value which its citizen place upon the services that our library has provided. Our goal is to continue offering our many library services and extending "community" to all who walk through our door. Working with our remarkable volunteer crew, our Library Director (Kate Smith) is now firmly engaged in doing "real library" right here in Whitefield. Thank you, residents of Whitefield! We are encouraged and very appreciative of your financial support.

Sincerely,
Whitefield Library Board of Directors
Cheryle Joslyn (President)
Lauren Seliga (V. President)
Kathy Stewart (Treasurer)
Brandi Grady (Secretary)
Julie Elder
Laurie Glidden
