POWTS Special Assessment: Pursuant to Resolution Number 124-09, adopted by the Fond du Lac County Board of Supervisors on March 16, 2010, and effective on the 2023 property tax bill, Fond du Lac County will apply a special assessment fee of \$7.00 for each Private Onsite Wastewater Treatment System (POWTS) in Fond du Lac County. If you are a tax-exempt organization (i.e. church or governmental unit), you will still receive the charge of \$7.00 per POWTS since this is a special assessment, not a tax. If you feel this information is in error, please call the Fond du Lac County Code Enforcement Office at 920-929-3139. Please leave your name, address of the property, phone number, and why you feel this assessment is in error.
