

May 22, 2025

Dear Resident or Property Owner,

You are invited to attend an informational meeting for the reconstruction of Leonard Point Road from STH 21 to Highland Shore Lane, which is planned for construction in 2027.

Location: Algoma Town Hall, 15 N. Oakwood Road, Oshkosh, WI 54904
Date: Wednesday, June 18, 2025
Time: 4:00 p.m. to 5:00 p.m.

This will be the second public meeting on the project. The first meeting was held on April 4, 2024 where project concept plans were presented at an open house.

At this meeting the project engineers from McMahon Associates will present an updated project design for the new roadway. Property owners are invited and encouraged to attend this meeting to hear about the details of the project and see the updated design and view and discuss your property with the engineers. Some topics that will be discussed include:

- Project scope and timeline
- Right of way acquisition
- Updated design
- General topics such as access, parking, and effect on services (mail, garbage)

Please let us know if you currently have a storm water lateral on your property. If you do—what is the general location? If you are unable to attend this meeting to identify the lateral on the plans please contact us (see below).

The reconstruction of Leonard Point Road is focused on commuter safety, enhanced pedestrian accommodations, and improvements to stormwater quality and management. Project information can be found on the town website at www.townofalgoma.org under “Current & Upcoming Development Projects” under Our Town. This page will be updated periodically until the road is completed in late 2027. The meeting presentation materials will be posted on the project website.

If you are unable to attend this meeting and have questions or information, such as the location of your storm lateral, please email townadmin@townofalgoma.org and a staff person will respond to your email.

Sincerely,
