You're invited!

Help Shape Mercer's Resilient Future

COMMUNITY RESILIENCE PARTNERSHIP

The Community Resilience Partnership helps municipalities like Mercer access up to $75,000 in grant funding - with no local match required.

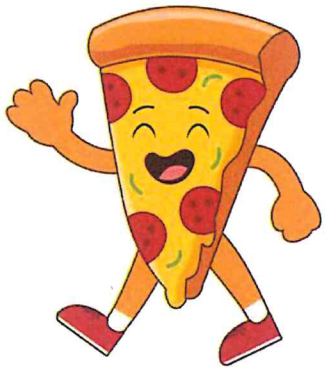

These funds can help lower energy costs, prepare for severe weather, and support local projects that make our community stronger.

The Town of Mercer is working with GrowSmart Maine to enroll in the program and apply for funding.

Join Us for a Community Workshop!

Tuesday, November 10 | 5:30 – 6:00 PM
Mercer Town Office (1015 Beech Hill Rd)

This is your chance to share ideas, set priorities, and help decide how we can use this funding to benefit our town. Everyone's voice matters – come be part of the conversation!

Pizza will be provided at the event. Bring your ideas and your appetite. We'd love to see you there!

Please contact Dayea Shim at 207-671-7784 or dshim@growsmartmaine.org for any questions.
