<b>Development Application</b>	<b>CUPFY2024-0010</b>
<b>Project Name</b>	<b>Equipment Share CUP</b>
<b>Project Location</b>	4665 W. Chinden Blvd, Garden City ID
<b>Project Description</b>	Operation of an Equipment Rental & Sales Business
<b>Applicant</b>	Givens Pursley LLP

The Idaho Transportation Department (ITD) reviewed the referenced application(s) and has the following comments:

1. Per the applicant's narrative and ITD's records, the Transportation Department had previously approved civil plans for Equipment Share on October 19, 2023. The accepted civil design had one approved approach on US 20/26, approximately 180' east of the intersection of W. 47<sup>th</sup> St. & US 20/26. Since updated plans were not included with the application, ITD will require the applicant to submit civil improvement plans to match what was previously approved for this business.
2. ITD reserves the right to make further comments upon review of the submitted documents.

If you have any questions, you may contact me at 208-334-8377.

Sincerely,
