CONCLUSIONS OF LAW

The Planning and Zoning Commission reviewed the application with regard to Garden City Code Title 8, and based on the conditions required herein, concludes the application **meets/does not meet** the standards of approval under **GCC 8-6B-2 Conditional Use**.

DECISION

WHEREFORE, based upon the foregoing Findings of Fact and Conclusions of Law contained herein, the Planning and Zoning Commission hereby **APPROVES/ DENIES** of the application subject to the following conditions:

POTENTIAL CONDITIONS FOR APPROVAL DECISION

Application Specific Requirements:

Scope of Permit:

1. The scope of this permit is to expand the use of a Church or Place of Religious Worship at 6826 N. Glenwood Street.
 - a. The previously approved Conditional Use Permit, CUPFY2023-0012, is directly associated with this conditional use permit request for the expansion of the use.
2. Based on the rules of proportionality, the applicant is only required to install 62% of the required landscaping.

Prior to Occupancy:

1. Occupancy of the site shall not commence until after a Certificate of Occupancy has been obtained from Garden City Development Services Department.

2. Occupancy Analysis to complete business compliance verification shall be applied for and approved by Garden City Development Services Department.
 - a. Should the occupancy analysis determine that improvements are required, then a non-residential building permit shall be applied for and approved by the Garden City Development Services Department.
3. Vehicular parking stall dimensions shall be in compliance with Garden City Code 8-4D-3, Ord. 1034-22.
4. At least 1 Class II or III street tree per the Treasure Valley Tree Selection Guide shall be planted within the landscape buffer area along N. Glenwood Street.
 - a. The applicant shall work with Garden City Development Services staff and the utility company.
 - b. Garden City Development Services staff has approval authority.
5. A minimum of five percent (5%) of the gross site area shall be landscaped areas, excluding areas for setback or perimeter landscaping.
 - a. A total of 2,479 square feet of landscaping shall be installed, excluding the portion of the existing landscaping related to the tenant.
6. At least 8 bicycle parking spaces shall be provided on-site.
 - a. Bicycle parking shall be a minimum of 6' long x 2' wide;
 - b. On- site spaces shall be located within fifty feet (50') of to the building entrance(s);
 - c. Be separated by a physical barrier to protect the bicycle from damage by motor vehicles if located within a motor vehicle parking area. The physical barrier can be curbs, poles, wheel stops, or other similar features;
 - d. Not impede pedestrian or vehicular circulation, or loading zones. The facilities shall be incorporated, whenever possible, into the structure's design or street furniture; and
 - e. Be properly illuminated to increase security and avoid accidents and adhere to 8-4A-4 Outdoor Lighting.

Site Specific Requirements for the Duration of the Use:

1. Schools, child daycare services, meeting facilities for clubs and organizations, and other similar uses not operated primarily for the purpose of religious instruction, worship, government of the church, or the fellowship of its congregation may be permitted to the extent the use is otherwise permitted in the district.
2. Any future fence or wall shall be in compliance with code at the time of development.
3. Any new or upgraded outdoor lighting related to this use shall be in compliance with Garden City lighting standards.
4. All utilities shall be found in compliance with Garden City Code 8-4A.

5. All streets and driveways shall adhere to the standards of a clear vision triangle.

General Requirements

1. Any changes in the design, construction, operation, or use shall be brought to the immediate attention of the Planning Official for determination if the changes are in substantial conformance with the City's action. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.
2. This Conditional Use Permit shall not be transferable from one parcel of land to another. Unless otherwise stated in the conditions attached to a permit, the permit shall be granted to the applicant and successors in interest to the premises for which it was approved.
3. This approval is only approval of the conditional use permit. All other applicable permits must be obtained and completed prior to a certificate of compliance or occupancy.
4. The approval is specific to the application provided and reviewed. Final approval is based on substantial conformance. Any changes to the plans and specifications upon which this approval is based, other than those required by the above conditions, will require submittal of an application for modification and approval of that application prior to commencing any change.
5. Final approval is subject to the approval of other reviewing agencies and City Departments. Any more restrictive standards adopted and made applicable by any Transportation Authority, Fire Authority or other Federal, State or Local regulatory agencies shall prevail.
6. All improvements and operations shall comply with applicable local, state and federal requirements and procedures whether specifically addressed in the analysis of this application or not. This shall include but not be limited to 8-4A General Provisions of Design and Development Regulations.
7. The property owner is responsible to maintain the site to edge of roadway asphalt.
8. If there are any tree grates, they shall be widened to accommodate the growing tree trunk and prevent girdling of any trees planted in tree wells within sidewalks or other public right of way.
9. Plant materials which exhibit evidence of insect pests, disease, and/or damage shall be appropriately treated to correct the problem. Dead and diseased plant materials shall be replaced.
10. Where landscaping might impact motorist or pedestrian sight distance, shrubs shall be maintained below three feet (3') in height and trees shall be pruned so that the lowest branches will be at least seven feet (7') above the ground level.
11. A three foot (3') clearance zone shall be maintained around the circumference of fire hydrants.
12. Retain and protect existing trees, vegetation, and native soils and integrate these features into the overall landscape plan as required by or exempted from Garden City Code 8-4I and as shown in the approved landscape plans.

13. If trees are staked, the stakes shall be removed within twelve (12) months to prevent damage to the tree.
14. All planting areas that border driveways, parking lots, and other vehicle use areas shall be protected by curbing, wheel stops, or other approved protective devices.
15. Trees shall be planted at least three feet (3') from curbs, sidewalks, driveways and other hard surfaces to buffer from stress caused by vehicle overhang and compacted soils, or planted with sufficient space to provide for the full maturity of the particular tree species. All other plant material, except sod or ground cover, shall be set back a minimum of one foot (1') from any curb edge to protect from vehicle overhang and mechanical damage.
16. The landscape installation shall stabilize all soil and slopes.
17. All required landscaping shall be provided with an automatically controlled irrigation system in conformance with the best management practices for automatic irrigation systems.
18. Demonstrate compliance with or an exemption from Garden City Code 8-4G prior to certificate of occupancies.
19. This approval is for this application only. Additional permits, licenses and approvals may be necessary.
20. Property maintenance standards shall be maintained as required by Garden City Code.
21. The property owner is responsible for the maintenance of all landscaping and screening devices required.
22. All outdoor living spaces must comply with Garden City Cod 8-3C General Provisions- Living Space Requirements.
23. All outdoor service and equipment areas shall comply with Garden City Cod 8-4A-5 Outdoor Service and Equipment Areas.
24. All stormwater systems must comply with Garden City Code 8-4A-7.
25. Cross-Connections: All cross-connections between the domestic water lines and the irrigation water lines shall be in accord with the City's adopted standards, specifications and ordinances.
26. Materials submitted after the decision shall not be considered part of the record for this decision. If additional materials or information is submitted after the decision the application may be remanded to the decision-making body during which time the decision shall be stayed provided that there is no immediate threat to life or safety.
27. No change in terms and conditions of this approval shall be valid unless in writing and signed by the applicant or his or her authorized representative and an authorized representative of the reviewing agency. The burden shall be upon the applicant to obtain the written confirmation of any change and not upon Garden City.
28. The Commission may revoke a conditional use permit for any of the following: A) Violation of Garden City Code or State or Federal Laws; B) Failure to abide by any conditions of this permit; C) Causing or allowing a nuisance as determined by Garden City Code, in connection with the use for which the permit is granted.
29. Any violation of the conditions of this application is a criminal offence.

30. A certificate of occupancy or an application for a building permit shall be considered commencement of the use.
31. All previous uses are null and void unless otherwise conditioned.
32. Should there be a change in use, there is a clear intent to cease the use, or the use is discontinued for more than one year without written documentation submitted to the City, legal noticing, and property posting indicating intent to continue the use, this approval shall become void.
33. The date of action is the date the decision body formalizes their decision. The decision body may formalize their decision by approving a draft decision or a draft decision with noted changes at the hearing. The date of action may be a different date than the applicant is provided with a signed copy of the decision.
34. Pursuant to 8-6A-9 Appeals, those with standing may appeal a decision within fifteen days from the date of action.
35. This approval shall expire one (1) year from its approval, unless otherwise extended as allowed by Garden City Code .
36. Final decisions are subject to judicial review pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code.
37. Pursuant to Idaho Code, a request for reconsideration must be submitted within 14 days of the final decision and prior to judicial review. The written request must identify specific deficiencies in the decision for which reconsideration is sought.
38. A takings analysis pursuant to Idaho Code may be requested on final decisions.
39. If any term or provision of this decision, to any extent, is held invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.

STANDARD CONDITIONS FOR DENIAL DECISION

1. In order for approval by Garden City, the proposal must be in compliance with all standards of 8-6B-2. This project is not in compliance with the Garden City Comprehensive Plan Goal 4 and Garden City code sections 8-4I. Compliance can be met by installation of a deficient landscape.
2. The date of action is the date the decision body formalizes their decision. The decision body may formalize their decision by approving a draft decision or a draft decision with noted changes at the hearing. The date of action may be a different date than the applicant is provided with a signed copy of the decision.
3. Pursuant to 8-6A-9 Appeals, those with standing may appeal a decision within fifteen days from the date of action.
4. Final decisions are subject to judicial review pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code.

5. Any applicant or affected person seeking judicial review of compliance with the provisions of this section must first seek reconsideration of the final decision within fourteen (14) days. Such written request must identify specific deficiencies in the decision for which reconsideration is sought. Upon reconsideration, the decision may be affirmed, reversed or modified after compliance with applicable procedural standards. A written decision shall be provided to the applicant or affected person within sixty (60) days of receipt of the request for reconsideration or the request is deemed denied. A decision shall not be deemed final for purposes of judicial review unless the process required in this subsection has been followed. The twenty-eight (28) day time frame for seeking judicial review is tolled until the date of the written decision regarding reconsideration or the expiration of the sixty (60) day reconsideration period, whichever occurs first.
6. Pursuant to The Local Land Use Planning Act, Chapter 65 Title 67 Idaho Code, a takings analysis may be requested on final decisions.
7. If any term or provision of this decision, to any extent, is held invalid or unenforceable, the remaining terms and provisions hereof shall not be affected thereby, but each such remaining term and provision shall be valid and enforced to the fullest extent permitted by law.
