### The Appeal of a Decision:

Pursuant to Garden City Code [Table 8-6A-1 Authorities and Processes](#), the Planning and Zoning is a recommending authority. The City Council is the final decision maker for the requested application. The recommendation of the Planning and Zoning Commission does not constitute a final decision on the application.

## **E. Objective**

The proposed amendment's objective is to clarify ambiguities in the administration of the code, remove conflicting provisions, simplify code, and combine and clarify procedures adopted by resolution with those adopted by ordinance.

## **F. Current Deficiencies**

Currently the code requires a public hearing if there is an objection to the Planning Official's decision. This is drafted to follow the public hearing process with the hearing to be at City Council. The legal department has indicated that that this process would more appropriately be an appeal, and that appeals should not be de novo.

GCC 8-6B-3.F is a conflicting provision.

Finally, 8-6 contains hearing provisions, however the city has also adopted, by resolution, hearing, and appeal procedures.

## **G. Proposed Changes**

The proposed changes are summarized below:

1. Clarify that objections to a Planning Official decision shall be processed as an appeal.
2. Clarify ambiguous provisions.
3. Make processes and timeframes consistent.
4. Add provisions for hearing procedures.
5. Identify grounds for decision.
6. Reorganize content location.

## **H. Agency Comments**

The city has not received any agency comments.

## **I. Public Comment**

No public comments were provided as of the drafting of this document.

## **J. Evaluation of Proposed Changes/ Compliance Statement**

There is no identified conflict with any other regulation, adopted policy, the Garden City Comprehensive Plan, or other adopted plan of the city.
