IF this has to go through there has
to be a noise ordinance. I have
more thoughts too. 208-867-6315

Comments:

My property abuts the Bible College campus.
I understand the right of the college to
build on their property. However, I do
feel the need to ensure that such building
some appear to be part of the surrounding
community. This proposal stands as a stark
contrast, and not an attractive one.
