2. LED South Elevation Wall Signage
3. Compliance Statement and Statement of Intent

### **Analysis**

Staff has conducted a preliminary analysis on behalf of the Design Review Committee. Because the Committee ultimately interprets Development Code and determines whether a proposal is compliant, the following comments by staff are intended solely to assist the Committee in reviewing the application. Staff's interpretation of Development Code is *not* binding on the Committee.

GCC 8-4F-4(B)(1) – Finding 2	<p><b>Finding 2: Implement the vision as set forth in the comprehensive plan</b></p> <p>The proposal is located within the Green Boulevard Corridor, the Live-Work-Create District and Neighborhood Destination Node designations of the comprehensive plan.</p>

	<p><b><i>The following goals, objectives, and action steps of the Comprehensive Plan may apply to this proposal:</i></b></p> <p><b><i>Goal 1: Nurture the City</i></b>  1.4 Objective: Create a premier destination place to live, work and recreate.</p> <p>1.3 Objective: Consider the needs of all citizens, businesses, and the environment.</p> <p>1.4 Objective: Create a premier destination place to live, work, and recreate.</p> <p>1.5 Objective: Celebrate the historic, the cultural and the artistic.</p> <p><b><i>Goal 2: Improve the City Image</i></b>  2.1 Objective: Encourage new and distinctive neighborhoods.</p> <p>2.3 Objective: Promote quality design and architecturally interesting buildings</p> <p><b><i>Goal 3. Create a Heart for the City</i></b>  3.2 Objective: Create public gathering places at multiple locations throughout the city.</p> <p><b><i>Goal 12. Evolve as a Destination</i></b>  12.1 Objective: Support a positive business environment</p> <p>12.2 Objective: Continue to support commercial and industrial land use.</p> <p>12.3 Objective: Create a premier destination for work, recreation, entertainment, culture, and commerce.</p>
GCC 8-4F-4(B)(1) – Finding 3	<p><b>Finding 3: Establish that the property values and rights of any resident or business owner in Garden City will not be encumbered by the design of the sign</b></p> <p>The applicant has provided a narrative that establishes that the design of the sign will</p>

	not encumber the property values or rights of any resident or business owner.
GCC 8-4F-4(B)(1) – Finding 4	<b>Finding 4: Demonstrate that the sign provides significant creativity and uniqueness, and the intent is not to merely evade the provisions set forth in this article; or can demonstrate that the sign is an established icon that enhances the community's assets more than a sign complying with the requirements set forth in this article</b>
	The proposed sign provides significant creativity and uniqueness. This sign should be viewed as an established icon that enhances community assets.
GCC 8-4F-4(B)(1) – Finding 5	<b>Finding 5: Demonstrate that they are constructed of professional and durable materials, and are not intended to be of temporary nature</b>
	<p>The application does not state what types of materials shall be used to paint the mural/sign on the building or who has been hired to do the work.</p> <p>Staff recommends a high-quality weather-resistant product be used and that the business/tenants be responsible for any future maintenance and upkeep for the duration of their lease as this art piece will be a unique city icon.</p>

**The Design Committee may take one or more of the following actions:**

1. Recommend the proposal meets the findings of GCC 8-4F-4B-1
2. Recommend the proposal does not meet the findings of GCC 8-4F-4B-1
3. Provide guidance to the applicant regarding code requirements and standards and request additional materials;
4. Request the applicant return for an additional meeting

**The Design Review Consultants found the application met Findings 1, 2, 3, and 5. The consultants had split opinions regarding Finding 4 on whether the proposal truly provided uniqueness and creativity.**

The Planning Official reviewed the application with regard to Garden City Code, Title 8, Chapter 4, and based on the conditions required herein, concludes the application **meets** the standards of approval under **GCC 8-4F-1 Sign Provisions**.

WHEREFORE, based upon the foregoing Findings of Fact and Conclusions of Law contained herein, the Planning Official hereby **Approves** the application.
