Dear Mayor Evan's, Council President Page and Council Members,

We are residents of the Willowbrook 55+ community. We are writing regarding the proposed Boise Bible College apartment complex. We understand the need for the college to generate income, however the 3-4 story proposed complex with the large number of apartments will most definitely adversely affect those of us already living in the area. Our biggest concern is the amount of traffic that this will add to the already overcrowded infrastructure in the immediate vicinity.

If this proposal is approved, please consider keeping the complex at no more than 2 stories.

Thank you for your consideration.

Cordially,

Edward and Deborah Kraft
