Subject: Support for SUBFY2025-0002

I am writing in support of the Brighton Corporation's "Residences at the River Club" project and changes to the River Club golf course.

I do not live in the Plantation/River Club neighborhood and am not a homeowner in the HOA. However, I am a Garden City resident and member of the River Club.

The Brighton Corporation's "Residences at the River Club" project will enable the River Club (golf course and other amenities) to thrive going forward. The golf course is one of the oldest courses in the state and is a gem in Garden City. This project will preserve and enhance the course and club.

Thank you for your support of the Brighton Corporation's "Residences at the River Club" project.

Respectfully,
Genger Fahleson
