Boise bible college apartments being proposed. We live in willowbrook which shares a fence with the college. Please do not allow construction of 4 story apartments this will decrease our home values drastically and will add noise traffic and light to our community. The idea of doing a re-zone to a single

Family area just to make more apartments in garden city is horrible. We are already seeing more traffic on marigold coffee and glenwood streets. 500 more cars is unbelievable please stop this development. Thank you. Cathy and ken johnson. 8528 clubhouse lane garden city idaho. 83714.
