Hello Julie,

Do you have existing trash services currently? If so, are you changing anything? If you currently have a dumpster and it is not affected by the additional construction you may proceed with your plans.

Hello Bill and Konrad,

We are working on drawings for a new pre-engineered building for supplemental vehicle sales at Ozzy's Car Company (main address is 4195 W Chinden Blvd, Garden City, ID 83714):

Attached is the Architectural Site Plan for reference.

Do we need to provide a full trash enclosure?

We are also working on an expansion to the existing showroom, however we have not started on the design yet.

Please let us know the requirements for each location.

Sincerely,

Julie Miller, CID, NCIDQ Project Manager
