CITY OF GARDEN CITY AGENCY NOTICE

Pursuant to Garden City Code 8-6A-7, you are hereby provided notice of the following application:

DSRFY2024-0003: Design Review: Jorre Delgado with JD Planning & Consulting is requesting a new multi-family development at 5003 Alworth St., Ada County Parcel R7334160161, in the C-2 General Commercial Zoning District.

What is the dimension of the trash enclosure at this location? The standards say 12"x18" (to fit both trash and recycling) with gates opening at least 120 degrees and the gates need to be staked. I don't see any dimensions on this submittal.

DSRFY2024-0004: Design Review: Chad Lorentzen of The Land Group, Inc. is requesting a bikeway, trash enclosure and loading area, located at 2900 W. Chinden Blvd., Ada County Parcels R2734541910 & R2734541997, in the C-1 Highway Commercial Zoning District.

It is hard to tell on these drawings exactly what they intend for trash enclosure. Could we get some clarification. If someone would like to contact me please reach out by phone if you would like- Bill Pastoor-208-880-3845.

Please send comments to planning@gardencityidaho.org. If you do not respond by **December 31, 2023**, your response will be considered "No Comment." Comments should also be addressed to the applicant.
