Comments:

If the Brighton Development could compromise on the size of the Townhouse proposal it could be very helpful to the Homeowners on Fair Oaks and Charleston. The 43 Townhouses that are planned in the curved area will be very close to homes in that area. Can't the developers create a little good will with our association by eliminating those 43 units And creating a little park like area there? Homeowners in our association purchased homes here based on the beautiful environment. Isn't a small compromise an option. As neighbors, a little good will goes a long ways.
