The side lines of the above described easement shall be lengthened or shortened to terminate on the east line of said Lot 25 and the northeasterly extension of the northwesterly line of said Lot 20.

This easement contains 26,558 square feet or 0.61 of an acre, more or less.

The bearings shown in the above land description are based on coordinates provided by the City of Boise Public Works and used in project "C.S.P. 591 - South Boise Interceptor".

PARCEL 2 (Parcel 7B)

A parcel of land lying between Fairview Acres Subdivision No. 3, according to the official plat, as filed in Book 11 of Plats on Page 617, Records of Ada County, Idaho, and the above described Parcel 7A, more particularly described as follows:

Commencing at the east corner of Lot 8, Block 16 of said Fairview Acres Subdivision No. 3, said corner being on the northwesterly right-of-way line of East 41st Street; thence along the northeasterly extension of said right-of-way, North 44°15'44" East, 142.00 feet to the east corner of the lands described in Instrument No. 7841329, Ada County Records, said corner being the REAL POINT OF BEGINNING, said point being 16.19 feet right of Station 20+86.96 of the Project centerline; thence along the northeast line of said Instrument North 33°39'21" West, 157.63 feet; thence North 27°52'30" West, 90.21 feet to the southeasterly right-of-way line of Veterans Memorial Parkway, being 48.99 feet right of Station 18+50.25 of the Project centerline; thence along said right-of-way, North 76°21'07" East, 36.49 feet to the southwesterly line of the 25-foot-wide strip described herein as Parcel 7A; thence along said southwesterly line the following courses and distances; along a 77.50 foot radius curve to the right, through a central angle 5°35'49", an arc distance of 7.57 feet, subtended by a chord of South 11°12'35" East, 7.57 feet; thence South 8°24'41" East, 0.14 feet; thence along a 102.50 foot radius curve to the left, through a central angle 23°08'12", an arc distance of 41.39 feet, subtended by a chord of South 19°58'47" East, 41.11 feet; thence South 31°32'53" East, 41.74 feet; thence along a 137.50 foot radius curve to the right, through a central angle 21°01'48", an arc distance of 50.47 feet, subtended by a chord of South 21°01'59" East, 50.19 feet; thence South 10°31'05" East, 12.11 feet; thence along a 112.50 foot radius curve to the left, through a central angle 21°01'48", an arc distance of 41.29 feet, subtended by a chord of South 21°01'59" East, 41.06 feet; thence South 31°32'53" East, 7.60 feet; thence along an 812.50 foot radius curve to the left, through a central angle 2°38'59", an arc distance of 37.57 feet, subtended by a chord of South 32°52'22" East, 37.57 feet to said extension of the 41st Street right-of-way; thence along said extension South 44°15'44" West, 3.77 feet returning to the real point of beginning, containing 4,729 square feet or 0.11 of an acre, more or less.

The bearings shown in the above land description are based on coordinates provided by the City of Boise Public Works and used in project "C.S.P. 591 - South Boise Interceptor".

The total area contained within this easement being 0.72 of an acre, more or less.

It is understood and agreed that the greenbelt is to be constructed and maintained in such a manner that will not obstruct or hinder or affect navigation, recreation, or other authorized and customary use of the Boise River. The State Board of Land Commissioners reserves the right to terminate this

easement for failure to construct and maintain the greenbelt as herein provided, upon thirty (30) days written notice to the Grantee.

Subject to the following terms:

It is understood and agreed that this easement authorizes use of this greenbelt only on the lands lying below the ordinary high water mark.

The Grantee shall comply with all state laws and with all rules and regulations of the State Board of Land Commissioners pertaining to watershed protection and with the Stream Channel Protection Act as designated in Chapter 38, Title 42 of the Idaho Code.

The Grantee shall indemnify and hold harmless the State of Idaho and its representatives against and from any and all demands, claims, or liabilities of every nature whatsoever, arising directly or indirectly from or in any way connected with the use authorized under this easement.

Upon termination or abandonment, the Grantee shall have twelve (12) months from the date of receipt of the final notice to remove all facilities or improvements.

Grantee shall not fence the easement area without written authorization from the Grantor.

This easement is issued by the authority of the Rules for Easements on Submerged Lands and Formerly Submerged Lands (IDAPA 20.21) dated September 9, 1992.

If the easement is not used for the specified purpose for any five (5) year period, the Grantor may declare, in writing, such easement forfeited and the use of the lands shall revert to the Grantor or to the record owner of the lands.

If the easement is not used for the specified purpose within five (5) years from the date the easement is issued, then in such event the said lands so granted shall automatically revert to the Grantor without any further action required by Grantor.

If the purpose for which such easement has been granted is not completed within five (5) years after the date of issuance of this easement, the Grantor shall have the right to declare such easement forfeited.

Also subject to State of Idaho Easement No. 5182 issued to Ada County Highway District on November 30, 1992, for the purpose of a bridge.

Also subject to State of Idaho Easement No. 5650 issued to City of Boise on August 14, 1992, for the purpose of a 48-inch sewerline.

IN WITNESS WHEREOF, the State Board of Land Commissioners has caused these presents to be executed by its President, the Governor of the State of Idaho, and countersigned by the Secretary of State and the Director, Department of Lands.

point of beginning, the above described area containing 0.28 of an acre, more or less.

It is understood and agreed that the sewerline is to be constructed and maintained in such a manner that will not obstruct or hinder or affect navigation, recreation, or other authorized and customary use of the Boise River. The State Board of Land Commissioners reserves the right to terminate this easement for failure to construct and maintain the sewerline as herein provided, upon thirty (30) days written notice to the Grantee.

Subject to the following terms:

1. It is fully understood and agreed that if any future road construction or reconstruction affects the sewerline, it will be the sole responsibility and expense of the Grantee for removing, relocating, and reinstalling of said sewerline necessitated by such construction or reconstruction. The Grantee agrees to move the sewerline within ninety (90) days after receiving written notice from the Grantor that new construction or improvements are planned.

2. Prior to performing construction, reconstruction or maintenance to a degree that will cause soil disturbance and/or the destruction of vegetation, the Grantee will obtain written authorization from the Grantor. The authorization will provide for appropriate operating and reclamation procedures such as leveling the ground surface and reseeding of vegetation, if necessary; prevention of erosion; and any other special provisions appropriate to protect the land and other resources.

3. It is understood and agreed that this easement authorizes use of this sewerline only on the lands lying below the ordinary high water mark.

4. The Grantee will comply with all state laws and with all rules and regulations of the State Board of Land Commissioners pertaining to watershed protection and with the Stream Channel Protection Act as designated in Chapter 38, Title 42 of the Idaho Code.

5. The Grantee shall indemnify and hold harmless the State of Idaho and its representatives against and from any and all demands, claims, or liabilities of every nature whatsoever, arising directly or indirectly from or in any way connected with the use authorized under this easement.

6. Upon termination or abandonment, the Grantee shall have twelve (12) months from the date of receipt of the final notice to remove any facilities or improvements.

7. This easement was authorized and approved by the State Board of Land Commissioners on November 14, 1989 and July 7, 1992.

8. If the easement is not used for the specified purpose for any five (5) year period, the Grantor may declare, in writing, such easement forfeited and the use of the lands will revert to the Grantor or to the record owner of the lands.

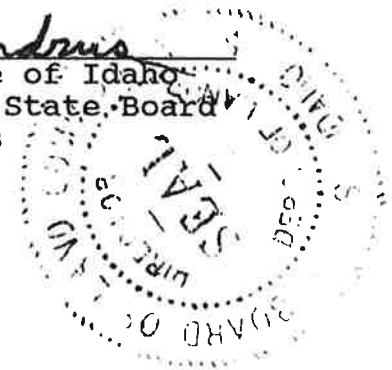

9. If the easement is not used for the specified purpose within five (5) years from the date the easement is issued, then, in such event, the said lands so granted shall revert to the Grantor.

10. If the tracks or works upon such lands for which such easement has been granted are not completed within five (5) years after the date of issuance of this easement, the Grantor shall have the right to declare such easement forfeited.

IN WITNESS WHEREOF, the State Board of Land Commissioners has caused these presents to be executed by its President, the Governor of the State of Idaho, and countersigned by the Secretary of State and the Director, Department of Lands.
