Details: On November 8th at around 7:08 PM Garden City Police responded to the report of an injury vehicle crash on Chinden Boulevard near Millstone Road.

When officers arrived on scene, they discovered a 78-year-old female pedestrian had been struck by a vehicle traveling westbound on Chinden Boulevard. Officers and emergency medical personnel attempted lifesaving measures; however, the victim succumbed to her injuries.

The preliminary investigation revealed that the victim lost some property from the bed of her pickup truck, and she stopped to retrieve it from the lanes of travel. At this time the collision is still under investigation by the Garden City Police Department with the assistance of the Ada County Sheriff's Office Crash Reconstruction Team. The westbound lanes of Chinden remain closed at this time, and people are asked to avoid that area if at all possible.

The victim's identity has not been released pending notification of family members.

Lt. Tom Patterson said, "This is a tragic event that will dramatically impact all parties involved. Our thoughts are with the family of the victim, and the others involved as well. This is a stark reminder of how fragile life can be".
