Re: CUPFY2023-0007 115 E 33rd St

This is a conditional use permit request to use this property for a commercial wine storage and delivery business.

The Boise Fire Department has reviewed this application and currently has no further comment.

General Requirement:

Specific building construction requirements of the International Building Code, International Fire Code and NACFR Rules will apply. However, these provisions are best addressed by a licensed Architect at time of building permit application.
