The Customer understands and agrees to the following:

1. The customer agrees that I will be charged for the metered water used at the current rate established by the Garden City Council Resolution “Utility Billing Rates” and rental fee rates established by Public Works Director.
2. The customer agrees to pay the actual cost for the replacement of the meter if the meter is lost, not returned (within 30 days of “estimated date of return”) or damaged.
3. The customer agrees to make the meter available for reading when requested by Garden City staff.
4. The above signed agrees that it is their responsibility to call Garden City Public Works (208.472.2949) if customer will need meter past the date noted in “Estimated Date of Return (page 1)”. See item 2 above for liability.

I, as the assigned customer, fully understand and agree to the requirements for temporary fire hydrant water services.
