Hi Bill,

I agree with you, this looks good. I found the enclosure size and that checks out. Thanks.

CITY OF GARDEN CITY AGENCY NOTICE

Pursuant to Garden City Code 8-6A-7, you are hereby provided notice of the following application:

DSRFY2026-0012: Design Review: Tony Thurber with Anchored Architects is requesting Design Review approval for the construction of a three-story, 16-plex multi-family building at 471 E. 47th St. (previously 413 E 47th St.), Ada County Parcel #R2734522881, in the R-3 Mixed-Use Residential Zoning District.

The enclosure location and approach look good. I didn't find the dimensions of the enclosure, so could we please get those specifics.

Thank you.
