

Multi-Building Mixed-Use Height and Setback Profile

Ordinance as written
with wrong interpretation
of P&Z recs

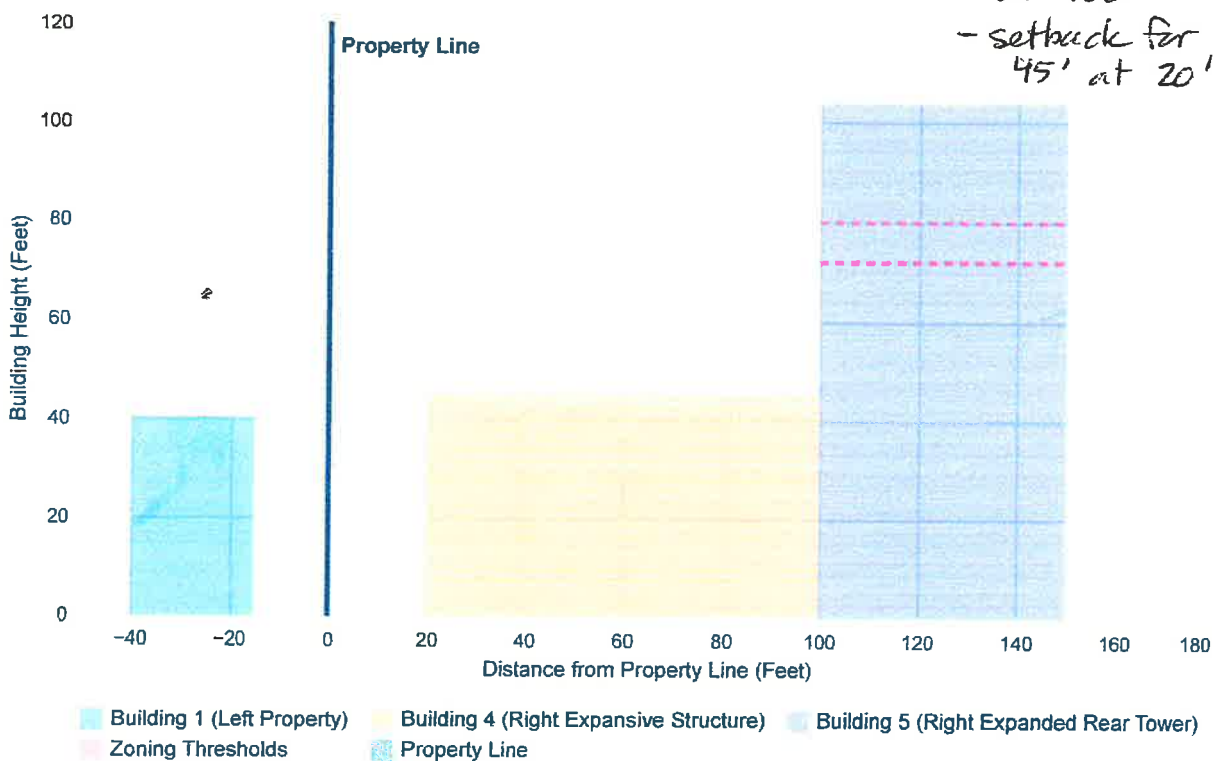

Mixed-Use Height & Setback Overlay Profile

Ordinance as written for recs from P & Z
Correct Interpretation either 45' or 72' can be built depending on setback from property line

But not both 45' and 72' next to WFD

Multi-Building Mixed-Use Height & Setback Overlay Profile

- setback for 72+ bldg at 100'
- setback for 45' at 20'
