Subject: SAPFY2026-0001 Heron Commons SAP - Draft 6 to City Council

Dear Honorable Mayor and City Council,

Thank you for the opportunity to engage at the last City Council meeting. I appreciate your thoughtful consideration of the proposed Heron Commons SAP.

Rather than waiting until the deadline for comments, I submitted my new comment package to Planning Services this afternoon.

Hopefully you get the chance to read it sooner than later, while edits are being made by the City.

Thank you,

Rod J. Linja, P.E.
