

CTH “Q” from CTH “B” to STH 89

The Jefferson County Highway Department will be resurfacing CTH “Q” from CTH “B” to STH 89. The work is scheduled to take place beginning the week of September 5, 2023. The existing deteriorated asphalt pavement will be pulverized followed by the installation of culverts. Upon completion of the culverts, the roadway will be graded and compacted prior to paving the roadway.

During construction the roadway will be closed to through traffic, but access will be maintained to local residences and businesses, as well as emergency vehicles. The road will remain closed until approximately middle October, depending on the weather. During construction please find an alternate route to travel.

Please use caution within the construction areas and please keep children away from the operations. If you should have any questions, please feel free to contact the Highway Department at 920-674-7265.
