VILLAGE OF FOOTVILLE STORMWATER MITIGATION LISTENING SESSION

PUBLIC NOTICE HEREBY GIVEN THAT A **STORMWATER MITIGATION LISTENING SESSION** will be held with **R.H. Batterman** to receive public comment and information concerning Village stormwater issues affecting residential properties and neighboring properties. The listening session will be held on Tuesday, September 8, 2026, from 4:00 PM to 6:00 PM at the Footville Village Hall. The purpose of this Listening Session is to provide residents and property owners with an opportunity to present information, concerns, and observations regarding stormwater drainage, runoff, flooding, or other related stormwater issues affecting residential or neighboring properties.

NOTICE IS FURTHER GIVEN that a possible quorum of the **Village Board of Trustees** may be present at the Village Hall during the above-mentioned time. No formal action or official business of the Village Board is intended to be conducted at this Listening Session.

Residents and property owners are invited and encouraged to attend and provide input.

Cassie Lambert, Clerk/Deputy Treasurer
