

RESOULTION NO. 2012-1  
TOWN OF OAKLAND

Sign Retroreflectivity Maintenance Program

In accordance with the Second Edition of the 2003 MUTCD (Manual on Uniform Traffic Control Devices) – Section 2A.09, the Town of Oakland adopts the reflectivity and sign mapping program from the Jefferson County Highway Department as a means to be in compliance with the new Federal Administration requirements.

The reflectivity part of this work will be done with a field retroreflectometer which will give measurement of the signs reflect value and marks the location of sign.

The Jefferson County Highway Department will be responsible for carrying out this method and maintaining of said signs at a cost not to exceed three thousand dollars (\$3,000.00).

Adopted this 17<sup>th</sup> day of January, 2012.
