Please join us for a public involvement meeting to discuss the US 18 and Hope Lake Road intersection area in the Town of Oakland, Jefferson County.

The meeting is scheduled for Tuesday, May 27th, from 5:30pm to 6:30pm at the Town of Oakland Town Hall, N4450 County Road A, Cambridge, WI 53523. A brief presentation is scheduled to begin at 5:30pm, followed by an open house format.

The project team has completed the preliminary design and is seeking public input on the identified needs and proposed improvements. The meeting will provide a visual representation of the preliminary design. A copy of the presentation will be posted on the project website after the conclusion of the meeting at the following website: <https://wisconsindot.gov/Pages/projects/by-region/sw/us18-oakland/default.aspx>.

Proposed improvements include a 2-inch mill and overlay, high friction surface treatment, widen the paved shoulders from three feet to five feet, install shoulder and centerline rumble strips, and reinstall pavement markings.

We look forward to meeting with you. If you are deaf or hard of hearing and require an interpreter, you may request one by contacting me at least three working days prior to the meeting.
