

STATE OF WISCONSIN: TOWN OF OAKLAND: JEFFERSON COUNTY:

ORDINANCE NO. 2026-40

**AN ORDINANCE REPEALING AND RECREATING ORDINANCE NO. 40 OF
THE MUNICIPAL CODE OF THE TOWN OF OAKLAND**

SOLID WASTE AND RECYCLING ORDINANCE

NOW, THEREFORE, the Board of Supervisors of the Town of Oakland, Jefferson County, Wisconsin, does hereby ordain as follows:

1.01 Title. Solid Waste and Recycling Ordinance for Town of Oakland, Jefferson County, Wisconsin.

1.02 Purpose. The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in s. 287.11, Wis. Stats., and Chapter NR 544, Wis. Administrative Code. A further purpose is to provide for the method of paying for the cost of recycling and/or solid waste pick-up by the Town of Oakland, Jefferson County, Wisconsin and the residences thereof.

1.03 Statutory Authority. This ordinance is adopted as authorized under s. 287.09(3)(b), Wis. Stats.

1.04 Abrogation and Greater Restrictions. It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

1.05 Interpretation. In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

1.06 Severability. Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

1.07 Applicability. The requirements of this ordinance apply to all persons within the Town of Oakland, Jefferson County, Wisconsin.

1.08 Administration. The provisions of this ordinance shall be administered by the Town Board of the Town of Oakland, Jefferson County, Wisconsin.

1.09 Effective Date. The provisions of this ordinance shall take effect upon posting and publication.

1.10 Definitions. For the purpose of this ordinance:

- 1) "Bi-metal container" means a container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.
- 2) "Container board" means corrugated paperboard used in the manufacture of shipping containers and related products.
- 3) "Foam polystyrene packaging" means packaging made primarily from foam polystyrene that satisfies one of the following criteria:
 - a) Is designed for serving food or beverages.
 - b) Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.
 - c) Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.
- 4) "Glass Container" means a glass bottle, jar or other packaging container used to contain a product that is the subject of a retail sale and does not include ceramic cups, dishes, oven ware, plate glass, safety and window glass, heat resistant glass such as Pyrex, lead based glass such as crystal, or TV tubes.
- 5) "HDPE" means high density polyethylene, labeled by the resin code # 2.
- 6) "LDPE" means low density polyethylene, labeled by the resin code # 4.
- 7) "Magazines" means magazines and other materials printed on similar paper.
- 8) "Major appliance" means a residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven, refrigerator, furnace, boiler, dehumidifier, water heater or stove.
- 9) "Multiple-family dwelling" means a structure containing 5 or more residential units, including those which are occupied seasonally.
- 10) "Newspaper" means a newspaper and other materials printed on newsprint.
- 11) "Non-residential facilities and properties" means commercial, retail, industrial, institutional and government facilities and properties. Non-residential facilities and properties includes any location at which goods or services are provided or manufactured, including locations under construction, demolition, or remodeling, or used for special events such as fairs, festivals, sports venues, conferences and exhibits. This term does not include multiple family dwellings.
- 12) "Office paper" means high grade printing and writing papers. This term does not include industrial process waste, newspaper or packaging.
- 13) "Other resins or multiple resins" mean plastic resins labeled by the resin code # 7.

- 14) "Person" includes any individual, corporation, partnership, association, local government unit, as defined in s. 66.0131(1)(a), Wis. Stats., state agency or authority or federal agency.
- 15) "PETE" or "PET" means polyethylene terephthalate, labeled by the resin code # 1.
- 16) "Plastic container" means an individual, separate, rigid plastic bottle, can, jar or carton, except for a blister pack, that is originally used to contain a product that is the subject of a retail sale.
- 17) "Postconsumer waste" means solid waste other than solid waste generated in the production of goods, hazardous waste, as defined in s. 291.01(7) Wis. Stats., waste from construction and demolition of structures, scrap automobiles, or high-volume industrial waste, as defined in s. 289.01(17)., Wis. Stats.
- 18) "PP" means polypropylene, labeled by the resin code # 5.
- 19) "PS" means polystyrene, labeled by the resin code # 6.
- 20) "PVC" means polyvinyl chloride, labeled by the resin code # 3.
- 21) "Recyclable materials" includes lead acid batteries; major appliances; waste oil; yard waste; aluminum containers; corrugated paper or other container board; foam polystyrene packaging; glass containers; magazines; newspaper; office paper; rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins; steel containers; waste tires; and bi-metal containers.
- 22) "Solid waste" has the meaning specified in s. 289.01(33), Wis. Stats.
- 23) "Solid waste facility" has the meaning specified in s. 289.01(35), Wis. Stats.
- 24) "Solid waste treatment" means any method, technique or process which is designed to change the physical, chemical or biological character or composition of solid waste. "Treatment" includes incineration.
- 25) "Waste tire" means a tire that is no longer suitable for its original purpose because of wear, damage or defect.
- 26) "Yard waste" means leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

1.11 Separation of Recyclable Materials. Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties shall separate the following materials from postconsumer waste:

- 1) Lead acid batteries
- 2) Major appliances
- 3) Waste oil
- 4) Yard waste
- 5) Aluminum containers
- 6) Bi-metal containers
- 7) Corrugated paper or other container board
- 8) Foam polystyrene packaging
- 9) Glass containers
- 10) Magazines
- 11) Newspaper

- 12) Office paper
- 13) Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins
- 14) Steel containers
- 15) Waste tires

1.12 Separation Requirements Exempted. The separation requirements of s. 1.11 do not apply to the following:

- 1) Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in s. 1.11 from solid waste in as pure a form as is technically feasible.
- 2) Solid waste which is burned as a supplement fuel at a facility if less than 30 % of the heat input to the facility is derived from the solid waste burned as supplement fuel.
- 3) A recyclable material specified in s. 1.1(5) through (15) for which a variance has been granted by the Department of Natural Resources under s. 287.11(2m), Wis. Stats., or s. NR 544.14, Wis. Administrative Code.

1.13 Care of Separated Recyclable Materials. To the greatest extent practicable, the recyclable materials separated in accordance with s. 1.11 shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions

1.14 Management of Lead Acid Batteries, Major Appliances, Waste Oil and Yard Waste. Occupants of single family and 2 to 4 unit residences, multiple-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil, and yard waste as follows:

- 1) Lead acid batteries shall be recycled at select local retailers.
- 2) Major appliances shall be scheduled for pickup by calling the Recycling Waste Contractor for the Town of Oakland, Jefferson County, Wisconsin. Appliances shall be upright and empty. Freezers and refrigerators must have doors removed.
- 3) Waste oil shall be placed at the roadside separated from solid waste for collection by the Recycling Waste Contractor for the Town of Oakland, Jefferson County, Wisconsin. Common engine oil must be in one-gallon, unbroken container with screw on lid.
- 4) Yard waste shall be composted by the homeowner via backyard composting, burning or bringing to the Compost Facility for the Town of Oakland, Jefferson County, Wisconsin.

1.15 Preparation and Collection of Recyclable Materials. Except as otherwise directed by the Town Board of the Town of Oakland, Jefferson County, Wisconsin,

occupants of single family and 2 to 4 unit residences shall do the following for the preparation and collection of the separated materials specified in s. 1.11(5) through (15):

- 1) Aluminum containers shall be rinsed and placed in the recycling container provided for collection. Beverage containers only. No aluminum foil.
- 2) Bi-metal containers shall be rinsed, have labels removed, and may be flattened to save space within the recycling container.
- 3) Corrugated paper or other container board shall be flattened and placed in or alongside the recycling container.
- 4) Glass containers shall be rinsed, all caps removed and placed in recycling containers.
- 5) Magazines, newspapers and office paper may be comingled in the recycling container.
- 6) Rigid plastic containers with recycling symbols 1 through 5 and Type 7 shall be rinsed, all caps removed and placed in recycling container.
- 7) Steel containers shall be rinsed, have labels removed, and may be flattened to save space within the recycling container.
- 8) Waste tires shall be off the rim and placed at roadside separated from solid waste. Limit of two tires per month-8 per year.

1.16 Responsibilities of Owners or Designated Agents of Multiple-Family Dwellings.

- 1) The Town of Oakland, Jefferson County, Wisconsin will not provide pick-up service for solid waste and recyclables for multi-family dwellings, including mobile home parks. The owners of such properties shall be responsible for contracting for such services with a private service provider and shall not look to the Town of Oakland, Jefferson County, Wisconsin for payment, therefore.
- 2) Owners or designated agents of multiple-family dwellings shall do all the following to recycle the materials specified in s. 1.11(5) through (15):
 - a) Provide adequate, separate containers for the recyclable materials program established in compliance with the ordinance. The number of recycling containers shall equal or be greater than the number of trash containers and at least one of the following shall be met:
 - i) The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
 - ii) The ratio of trash container volume to recycling container volume is at most 2:1.
 - iii) An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.
 - b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
 - c) Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
 - d) Notify users, tenants and occupants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to

meet the processing requirements, collection methods or sites, and locations of drop-off collection sites to recycle materials not collected on-site.

- 3) The requirements specified in 2) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11(5) through (15) from solid waste in as pure a form as is technically feasible.

1.17 Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.

- 1) The Town of Oakland, Jefferson County, Wisconsin will not provide pick-up service for solid waste and recyclables for commercial units. The owners of such properties shall be responsible for contracting for such services with a private service provider and shall not look to the Town of Oakland, Jefferson County, Wisconsin for payment, therefore.
- 2) Owners or designated agents of non-residential properties shall do all of the following to recycle the materials specified in s. 1.11(5) through (15):
 - (a) Provide adequate, separate containers for the recyclable materials/program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection materials and delivery to a recycling facility.
 - (b) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
 - (c) Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
 - (d) Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations of drop-off collection sites to recycle materials not collected on-site.
- 3) The requirements specified in 2) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11 (5) through (15) from solid waste in as pure a form as is technically feasible.

1.18 Prohibitions on Disposal of Recyclable Materials Separated for Recycling. No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in s. 1.11 (5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility. No person shall bring recyclables or refuse from outside the Town of Oakland, Wisconsin, Jefferson County, limits into the Town of Oakland, Wisconsin, Jefferson County for disposal unless specifically authorized by agreement with the Town of Oakland, Jefferson County, Wisconsin.

1.19 Anti-Scavenging Provision. Persons shall not pilfer or disturb recyclables once they are placed for collection as they become the property of the Town of Oakland, Jefferson County, Wisconsin. Any and each collection by unauthorized persons in violation of this provision shall constitute a separate and distinct offense punishable as provided hereinafter.

1.20 Enforcement.

- 1) For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of the Town of Oakland, Jefferson County, Wisconsin, may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Town of Oakland, Jefferson County, Wisconsin, who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.
- 2) Any person who violates a provision of this ordinance may be issued a citation by the Town of Oakland, Jefferson County, Wisconsin, Police Department to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.
- 3) Penalties for violating this ordinance may be assessed as follows:
 - (a) Any person who violates s. 1.18 may be required to forfeit an amount established by a Fee Schedule adopted and amended from time to time by resolution of the Town of Oakland, Jefferson County, for a first violation, a second violation and a third or subsequent violation.
 - (b) Any person who violates a provision of this ordinance, except s. 1.18, may be required to forfeit an amount established by a Fee Schedule adopted and amended from time to time by resolution of the Town of Oakland, Jefferson County, Wisconsin.

1.21 Payment Procedure.

- 1) Commencing January 1, 1999, the Town of Oakland, Jefferson County, Wisconsin shall pay for all solid waste and recycling contracts, in advance, per contract.
- 2) Owners of properties identified to receive roadside or other pick-up services will be billed for such service by the Town of Oakland, Jefferson County, Wisconsin on an annual basis and placed on the tax roll for collection based upon an annual reconciliation report. Said report shall be provided no later than Mid November each year for its review and approval. New construction units will be prorated from occupancy date. After reviewing and approving such annual reconciliation report, the Town of Oakland, Jefferson County, Wisconsin Clerk/Treasurer shall determine the amount to be placed on individual tax bills.

The Board of Supervisors of the Town of Oakland, Jefferson County, Wisconsin **DO FURTHER ORDAIN** that this Ordinance shall be effective upon its adoption and publication.

Adopted this 15th day of September 2026

APPROVED:

Laura Payne, Town Chairman
