Public Events/Standbys/Participation: No public Events Scheduled

Training Events: Crews participated in several trainings with the Lake Mills Fire Department. In addition, Ryan Brothers completed training on Endocrine Disorders, Diabetes, and Football Related Injuries.

Notable Calls/Events: Several significant traumas this month requiring the use of additional resources beyond Lake Mills. The Lake Mills Fire Department assisted on all of these calls and we are very appreciative to have the support of the Fire Department and neighboring departments and organizations.

Station Issues: None to report

Quality of Care Inquiries: No Quality of Care Inquires received in July

Questions/Comments: I was able to attend the Quarterly Meeting between the Townships, City of Lake Mills, and Lake Mills Fire Department earlier in the month. These meetings are very valuable for answering questions and discussing any concerns. Chief Russ provides important updates and data. I would encourage any township board members and city leadership to attend these meetings if available.
