

Town of Pleasant Valley
Eau Claire County
Wisconsin

Resolution No. 24-16-02
Approving Expenditures for Generator Documents

Whereas, the Town Board desires to add a generator to the community center/fire station to enhance the usability of the location during an emergency, and

Whereas, the Lions Club and Township Fire Department have started fundraising for the project, and

Whereas, additional design and bid documents need to be drafted prior to the project going out for bid.

Now, therefore, be it resolved the Town Board of the Town of Pleasant Valley does hereby approve expenditures of approximately \$5000 to APEX for engineering documents and approximately \$1500 to Lien Pederson for bid documents.

Adopted this 12th day of February 2024

Town of Pleasant Valley
