

ORDINANCE #2026-18

**AN ORDINANCE AMENDING AND SUPPLEMENTING CHAPTER 102,
“DEVELOPMENT REGULATIONS” OF THE CODE OF THE TOWNSHIP OF COLTS
NECK, ARTICLE VIII, “ZONING REQUIREMENTS,” “PART 4. ZONING AND
DESIGN REQUIREMENTS FOR RESIDENTIAL DISTRICTS,” SECTION 102-85.4, “A-
10 OVERLAY RESIDENTIAL DISTRICT” UNDER PROTEST**

Block 11, Lot 3.02 (151 Dutch Lane Road)

WHEREAS, on March 20, 2024, Governor Murphy signed P.L.2024, c.2 into law, establishing a new framework for determining and enforcing municipalities' affordable housing obligations under the New Jersey Supreme Court's Mount Laurel doctrine and the New Jersey Fair Housing Act (the "FHA") (N.J.S.A. 52:27D-301 et al.); and

WHEREAS, the Amended FHA requires the Department of Community Affairs (“DCA”) to calculate the Fourth Round Present and Prospective Need Obligation of municipalities within the state and establishing the New Jersey Affordable Housing Dispute Resolution Program; and

WHEREAS, pursuant to the FHA, Administrative Directive No. 14-24, and Resolution No. 2025-43, the Township filed a Declaratory Judgment Action under Docket Number MON-L-422-25 seeking approval and confirmation by the Affordable Housing Alternative Dispute Resolution Program (the “Program”) of its affordable housing obligations;

WHEREAS, on March 27, 2025, the Hon. Linda Grasso Jones, J.S.C. issued an order finding in favor of the Township's identified affordable housing obligation and authorizing the Township to proceed with preparation and adoption of a Fourth Round Housing Element and Fair Share Plan by June 30, 2025;

WHEREAS, the Township’s Planning Board adopted the Fourth Round Housing Element and Fair Share Plan (“Fourth Round HEFSP”) on June 9, 2025, which was endorsed by the Township Committee on June 11, 2025; and

WHEREAS, the Township submitted the Fourth Round HEFSP to the Program in accordance with the FHA and Directive #14-24; and

WHEREAS, on August 28, 2025 and September 2, 2025, Fair Share Housing Center, Active Acquisitions, LLC and 68 Obre Owner LLC filed challenges to the Fourth Round HEFSP; and

WHEREAS, on March 4, 2026, the Program issued its Decision Recommendation Housing Element and Fair Share Plan: Denial of Certification of Compliance Pending Action by Township (“Program Decision Recommendation”) whereby it found that the Fourth Round HEFSP does not comply with the FHA and the Mount Laurel Doctrine and ordered that to maintain immunity and receive a Certification of Compliance the Township must adopt an Amended HEFSP designating the properties located at 68 Obre Road (Block 50, Lot 7), 318-22 Route 537 (Block 48, Lots 25.01, 26 & 27), and 151 Dutch Lane (Block 11, Lot 3.02) for inclusionary zoning by April 8, 2026 and adopt enabling zoning ordinances to permit development of the three (3) projects proposed by 68 Obre Owner LLC and Active Acquisitions, LLC by May 13, 2026; and

WHEREAS, on March 9, 2026, the Hon. Linda Grasso Jones, J.S.C. entered an Order accepting the Program Decision Recommendation and ordering the Township to adopt an Amended HEFSP by April 8, 2026 and the enabling zoning ordinances by May 13, 2026 (“March 9 Order”); and

WHEREAS, in accordance with the March 9 Order, Colts Neck Township Planning Board, under protest, adopted on April 7, 2026 an Amendment to the Fourth Round HEFSP in compliance with the March 9 Order and as meeting the requirements of N.J.S.A. 40:55D-28 and N.J.S.A. 52:27D-310, which was endorsed, under protest, by the Township Council on April 8, 2026; and

WHEREAS, on June 23, 2026, the Hon. Linda Grasso Jones, J.S.C. entered an order (the “June 23 Order”) providing as follows in relevant part:

It is anticipated that issues involving the 68 Obre Owner, LLC site will be resolved prior to the August 12, 2026 Township Committee meeting, and resolution of issue(s) involving development by 68 Obre Owner will be addressed with adoption of a resolution by the governing body at that meeting.

The Township and Active Acquisitions, LLC will continue their discussions regarding the potential for development by Active Acquisitions within Colts Neck.

Immunity from Round IV builder’s remedies suits continues to be extended to Colts Neck through September 17, 2026

; and

WHEREAS, in light of the foregoing, and to comply with the March 9 Order consistent with the terms of the June 23 Order, the Township Committee seeks to rezone the property located at Block 11, Lot 3.02 (151 Dutch Lane Road) to permit the development of the inclusionary project proposed by Active Acquisitions LLC; and

WHEREAS, the Township adopts this re-zoning ordinance for Block 11, Lot 3.02 (151 Dutch Lane Road) under protest as directed by the March 9 Order and with the intent to appeal the Program Decision Recommendation and the March 9 Order once the matter is deemed final for appellate purposes and it reserves all rights and positions in connection with any appeal, and based upon the same, any applicant intending to pursue land use approvals in conjunction with this rezoning shall be on notice that the submission of such an application or the granting of any land use approvals prior to a final non-appealable adjudication of an appeal of the Program Decision Recommendation and the March 9 Order shall be contingent upon resolution of such appellate practice.

NOW, THEREFORE, BE IT ORDAINED, by the Township Committee of Colts Neck Township, Monmouth County, New Jersey, that the Code of the Township of Colts Neck is hereby amended, under protest, as follows:

SECTION 1. Chapter 102, “Development Regulations,” Article VIII, “Zoning Requirements,” Section 102-85.4 “A-10 Overlay Residential District,” shall be amended and supplemented as follows:

Section 102-85.4(C) – A-10 Overlay Residential District

- A. Under protest, the Township adopts this re-zoning ordinance for Block 11, Lot 3.02 (151 Dutch Lane Road) as directed by the March 9 Order. The Township is rezoning the site as directed by the Program Decision Recommendation and March 9 Order. The Township reserves the right, and expresses its intent, to exercise an appeal from these orders once the matter is deemed final, pursuant to its statutory right under N.J.S.A. 52:27D-304.1 and in turn Administrative Directive #14-24. Any land use approvals sought pursuant to this Ordinance prior to the exhaustion of appellate practice shall be made contingent upon a final non-appealable adjudication.
- B. Purpose. The purpose of the A-10 Residential District is to create the opportunity for the development of an inclusionary affordable housing project in accordance with the March 9 Order. It is the intent of this ordinance to permit an inclusionary residential development of up to 389 dwelling units provided that 20 percent of the units are set-aside, affordable to and occupied by, very-low, low and moderate income households.
- C. Principal permitted uses on land and in buildings. The following shall be permitted as principal uses:
 - (1) Townhouses.

- (2) Stacked townhouses containing not more than 3 dwellings each.
 - (3) Agricultural uses.
 - (4) Conservation areas and open space.
 - (5) Multiple principal uses and principal buildings shall be permitted on the tract.
- A. Accessory uses. The following shall be permitted as accessory uses (subject to §§ 102-48 and 102-87, except as stated herein.):
- (1) Off-street parking facilities and parking lots.
 - (2) Mailboxes, lampposts, flagpoles, driveways, paths, sidewalks.
 - (3) Common facilities and amenities including: tot lots, clubhouse with a fitness center and reception facilities, swimming pools, hot tubs, grilling stations and other on-site recreational areas and facilities, common walkways, gazebos, sitting areas, picnic areas and gardens, and other similar uses.
 - (4) Patios, decks, terraces, and balconies.
 - (5) Fences and walls. See §102-57 and §102-73 for requirements.
 - (6) Satellite dishes and solar energy panels. Ground mounted solar energy panels shall be screened from view of public streets and neighboring properties by screening, planting, fencing or a combination of these techniques, in order to provide proper screening after 2 growing seasons. Roof mounted solar energy panels shall be mounted flush, or nearly flush, with building sides or roofs.
 - (7) Bike racks
 - (8) Signs.
 - (9) Emergency generators.
 - (10) Utility structures, including but not limited to, stormwater management basins and facilities, pump stations, on-site waste treatment facilities, wells, junction boxes, and the like. Existing stormwater management basins and facilities may be utilized in new development.
 - (11) Maintenance building and pump station maintenance building, not to exceed 1,500 square feet of coverage each and 25 feet in height.
 - (12) Temporary construction and sales trailers. See §102-80 for requirements.
 - (13) Other uses which are customarily incidental to a permitted principal use.
- A. Housing types.
- (1) Residences may be family housing and/or restricted as senior housing to those 55 years or older.
 - (2) Not more than 80% of the total dwellings may be stacked townhouses.
 - (3) Stacked townhouses shall not be located along a tract boundary shared with an off-tract single-family home. This requirement shall not apply to off-tract single-family homes located across a public street or to stacked townhouses located 300 feet or more from the tract boundary.
- B. Tract Area. The term “tract”, as applied to the A-10 Overlay Residential District shall be defined as the entirety of the property in the A-10 Overlay Residential District.
- C. Affordable housing.
- (1) In accordance with the Fair Housing Act, and the Uniform Housing Affordability Controls (“UHAC”, N.J.A.C. 5:80-26.1), and the Township’s affordable housing regulations (§102-97.1), 20% of all residential dwelling units built within this district shall be set aside for very-low, low, and moderate income households. Should there be any conflict between the Township ordinance and UHAC, the UHAC standard shall apply.
 - (2) At least half of the affordable units shall be affordable to very low and low income households; and the remaining affordable units shall be affordable to moderate income households. The very low income units shall equal at least 13% of the total

affordable units. A typical percentage of affordable housing shall be 13% very low, 37% low and 50% moderate income units.

- (3) Each rental affordable dwelling unit shall be deed restricted for at least 40 years from the date of initial occupancy of the unit, as set forth in UHAC (N.J.A.C. 5:8-26.12.). Each for-sale affordable unit shall be deed-restricted for at least 30 years from the date of initial occupancy of the unit, as set forth in UHAC (N.J.A.C. 5:8-26.6.).

A. Bulk, area, and building requirements.

Requirements	Standard
Minimum tract area	30 acres
Minimum tract frontage	1,100 feet
Maximum dwelling units	389
Minimum width of townhouse or stacked townhouse	20 feet
Minimum setbacks	
Principal building	
Setback from Dutch Lane Road	100 feet
Setback from other tract boundaries	75 feet
Setback from internal roads	20 feet
Setback from parking (excluding driveway spaces)	10 feet
Minimum distance between principal buildings	
Side to side	15 feet
Side to rear	30 feet
Rear to rear	30 feet
Maximum dwellings per building	
Townhouses	8
Stacked townhouses	18
Maximum building height	
Townhouses	3 stories / 45 feet
Stacked townhouses	3 stories / 45 feet
Clubhouse	1 story / 30 feet
Accessory buildings, excluding clubhouse	1 story / 20 feet
Maximum lot coverage (coverage of tract)	60%

B. Building height.

- (1) The term “building height” shall be defined as follows: The vertical distance measured to the highest point of a building from the average finished grade,

measured at five-foot intervals along and five feet away from the foundation along the side(s) of the building facing a street.

- C. Minimum open space. A minimum of 30% of the tract shall be open space, defined for this purpose as lands consisting of common open space, undevelopable environmentally constrained areas (wetlands and associated buffers, etc.), tract buffers, stormwater facilities, and park areas.
- D. Maintenance buildings. Maintenance buildings may be subdivided from the tract with a maximum lot size of 6,000 s.f. The building design shall be complementary to the surrounding on-tract buildings.
- E. Accessory buildings and structures.
 - (1) Accessory buildings and structures, attached or detached from the principal building, are not permitted in the tract setbacks. This shall not apply to utility structures, site entrance, stormwater management and drainage facilities, or permitted project identification signs.
 - (2) Accessory buildings or structures as part of principal buildings. Any accessory buildings or structures attached to a principal building or structure shall, for purposes of determining yard requirements only, be considered part of the principal building, and the total structure shall adhere to the yard requirements for the principal building regardless of the technique of connecting the principal and accessory buildings or structures. The above shall also apply to a ground-level patio surfaces adjacent to a building.
 - (3) Accessory buildings and structures detached from principal buildings, excluding fences, walls, mailboxes, light fixtures or similar structures.
 - (a) Structures for private residential use (sheds, private pools, etc.) shall not be located in the front yard and shall have a minimum side and rear yard setback of 5 feet.
 - (b) Minimum setback from roads: 20 feet.
 - (c) Minimum setback to parking: 10 feet.
- F. Tract setback requirements.
 - (1) Buildings and structures shall not be located within tract setbacks, with the exception of site access, permitted project identification signs, utility structures and stormwater management and drainage facilities.
- G. Site access, off-street parking, and loading requirements.
 - (1) A maximum of 1 site access point each shall be permitted from Dutch Lane Road and Boundary Road. Driveways serving individual buildings, townhouses or stacked townhouses are prohibited from Dutch Lane Road and Boundary Road.
 - (2) A minimum of 20 feet shall be provided for any private driveway depth, measured from the garage to the sidewalk or cartway, as may be applicable.
 - (3) The number of parking spaces and roadway standards shall be consistent with the requirements of N.J.A.C. 5:21-1.1 et seq., known as the Residential Site Improvements Standards (“RSIS”).
 - (4) The number of parking spaces required for a club house or amenity space shall be 1 parking space per 500 square feet of gross floor area.
 - (5) No loading spaces are required.
- H. Landscape and fencing requirements.
 - (1) Landscaping and plantings shall be provided pursuant to §102-71., except as stated herein.
 - (2) Shade trees shall be planted with average spacing of one tree every 55 feet along all public and private streets. Shade trees shall be a maximum of 15 feet from the curbline.
 - (3) To enhance privacy and screening, a row of trees, consisting of evergreen, shade and ornamental trees, shall be planted along the rear yard of any residential

building, excluding those whose rear yard directly abuts a tract boundary. The trees shall be planted with average spacing of one tree every 30 feet and may be clustered.

(4) Landscape buffers.

(a) A 50 foot landscaped buffer shall be provided along the Dutch Lane Road and Boundary Road frontages, and horizontal variation is encouraged within the landscape buffer. A planted berm of 5 to 7 feet in height shall be provided within the landscape buffer and/or tract boundary. A planted berm shall not be required where the distance of the road to a building in the district exceeds 300 feet. The berm shall have gently curving, naturalistic forms with vertical and horizontal variation. Berm slopes shall not exceed 3:1, with an average slope of between 4:1 and 5:1. The berm shall include a variety of plant materials with a predominance of evergreen trees planted generally along the ridge to maximize the buffer screening. Existing vegetation may satisfy all or a portion of this requirement where it provides a suitable screen. Existing vegetation may satisfy all or a portion of this requirement where it provides a suitable screen. A berm may utilize a retaining wall, provided the retaining wall does not face an existing street or off tract residence, and shall not exceed 75% of the berm height for which it is associated.

(b) A 40 foot landscaped buffer shall be provided along the side and rear tract boundaries. A planted berm of 4 to 6 feet in height shall be provided within the landscape buffer and/or tract boundary. A planted berm shall not be required where the distance of the applicable tract boundary to a building in the district exceeds 300 feet. The berm shall have gently curving, naturalistic forms with vertical and horizontal variation. Berm slopes shall not exceed 3:1, with an average slope of between 4:1 and 5:1. The berm shall include a variety of plant materials with a predominance of evergreen trees planted generally along the ridge to maximize the buffer screening. Existing vegetation may satisfy all or a portion of this requirement where it provides a suitable screen. A berm may utilize a retaining wall, provided the retaining wall does not face an existing street or off tract residence, and shall not exceed 75% of the berm height for which it is associated.

(c) The landscaped buffers shall meet the standards set forth in §102-90 except as stated herein. No structures are permitted within the buffer with the exception of site entrances and permitted project identification signs. Up to 10% of each required buffer may be occupied by stormwater management and drainage facilities.

(5) Fences.

- (a) Fences shall be provided as per §102-73, except as stated herein.
- (b) Fences within tract setbacks shall have a maximum height of 4 feet.
- (c) Fences within side and rear yards shall have a maximum height of 6 feet.
- (d) Fences within the front yard, or between a property line and the principal building, shall have a maximum height of 4 feet.

I. Lighting requirements.

- (1) Section 102-117 shall not apply.
- (2) Light fixtures shall have a maximum mounting height of 20 feet.
- (3) All lighting shall be shielded to minimize any glare, spillage, or light pollution.
- (4) The maximum level of illumination measured at any tract boundary line shall be 0.1 foot candles, except for any ingress or egress driveways, where additional lighting for safety shall be permitted.
- (5) All lighting shall be dark sky compliant.

- (6) All lighting shall be LED with a maximum color temperature of 3,000 K.
- J. Signs.
 - (1) Except as provided for herein, all signs shall be in accordance with the requirements of § 102-106.
 - (2) One monument or freestanding project identification sign at each site entrance is permitted in accordance with the following standards:
 - (a) Signs shall be non-illuminated or externally illuminated.
 - (b) Signs shall be landscaped and may identify the community project name, developer, and logo.
 - (c) The maximum sign area containing text and logos shall not exceed 40 square feet for each side of the sign if two-sided.
 - (d) The maximum sign height, including the structure and sign area, shall not exceed 6 feet.
 - (e) The minimum sign setbacks shall be 10 feet from the public right-of-way.
 - (3) Ground mounted wayfinding signs shall be permitted to identify specific locations and/or buildings, areas, or recreational facilities. No sign shall exceed 4 square feet in area and 4.5 feet in height.
 - (4) Seasonal decorations are permitted in accordance with the requirements of § 102-106C.
- K. Ordinance Exceptions.
 - (1) The inclusionary development shall be exempt from the following sections of the Township code: Section 102-98 (Multifamily Provisions); Section 102-63 (Natural Features); Sections 102-71(C-E) Shade Trees, Wooded Areas and Landscaping; Sections 102-77 (Streets); Section 102-83 (Yards); Section 102-88 (Bikeways); Section 102-94 (Design Standards in Stream Corridors); and Section 102-105 (Slope Regulations).
 - (2) The inclusionary development shall also be exempt from Section 102-80.1(A-F) (Tree Replacement). The inclusionary development shall be permitted to remove trees, provided that the developer replaces trees with a DBH of 10 inches or more with 2 replacement trees with a DBH of at least 3 inches. Replacement trees required by this section shall be in addition to any other landscaping required in this zone.
 - (3) Soil Erosion and Sedimentation Control review shall be based on the conclusions of the Freehold Soil Conservation District rather than Section 102-75 of the Colts Neck Ordinance. The review of streets shall be governed by the New Jersey Residential Site Improvement Standards (RSIS), rather than the Colts Neck Ordinance.
- L. Conflicts.
 - (1) To the extent there is a conflict between this ordinance and any other section of the Township's ordinances, this ordinance shall apply. To the extent there is a conflict between this and any other Township ordinances and the New Jersey Uniform Housing Affordability Controls standards (UHAC), the UHAC standards shall apply, subject to any order of the court.
 - (2) To the extent there is a conflict between this ordinance or any other section of the Township's ordinances and RSIS, RSIS standards shall apply.

SECTION 2. Remainder. Except as hereby amended and supplemented, all other parts of Chapter 102 of the Code of the Township of Colts Neck shall remain in full force and effect.

SECTION 3. Referral to Planning Board. Upon introduction, this Ordinance shall be referred to the Planning Board of the Township of Colts Neck for its review and comment.

SECTION 4. Repealer. All ordinances or parts of ordinances inconsistent or in conflict with this Ordinance are hereby repealed as to said inconsistencies and conflict.

SECTION 5. Severability. If any Section, part of any Section or clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the remaining provisions of this Ordinance. The Township Committee of the Township of Colts Neck declares that it would have passed the Ordinance and each Section thereof, irrespective of the fact that any one or more of the subsections, sentences, clauses or phrases may be declared unconstitutional or invalid.

SECTION 6. Effective Date. This Ordinance shall take effect immediately upon final passage and publication according to law.

The foregoing Ordinance was introduced and passed on the first reading at the meeting of the Township Committee of Colts Neck Township on September 9, 2026 and duly adopted by the Township Committee of Colts Neck Township after public hearing on September 23, 2026.

Kathleen Capristo

Kathleen Capristo, Municipal Clerk
