Update related to the Thorne Building: 8/17/19

I write to inform you of recent developments related to the Thorne Building:

- 1) Allan Rappleyea recently informed Oakleigh that the judge in Poughkeepsie approved our two motions related to the “reverter issue.” The result is “that we can now finish the process of clearing title by publishing notice in local publication where we think the remaining heirs last lived. Assuming no heir raises issues as a result of that publication, we should be able to clear title by late November.”**
- 2) The Board of The Thorne Building Community Center has recently hired Larry Shapiro to be the project manager of the TB restoration and renovation. To this end, Larry has submitted RFPs (requests for proposals) to six architectural firms for cost estimates related to this project. He plans to meet with each of these firms and review their proposals in the coming weeks.**
- 3) The Board of TBCC has recently hired a consultant to help us plan a capital campaign to raise the necessary funds. Her name is Nancy Baker and she lives in Lakeville. She has substantial experience raising funds in Boston, New York and locally.**
- 4) I am in the process of drafting a “case statement” for the campaign.**

Dear Mayor Brown,

Greetings. My name is Alissa Kelly and I am an ENL teacher at Elm Drive Elementary. As an ENL teacher I work with students who speak a language other than English. We focus on reading, writing, and vocabulary acquisition in all of the content areas. Mrs. McGowan, the ENL teacher at Alden Place, also helped to run this program. For the past two weeks Mrs. McGowan and I helped to run a Summer Program at Elm Drive for ENL students in grades K-5. Our students have learned about local government and the important people who live in our community. We asked the students write a letter to a leader asking for improvements to be made in their community. You will see that the letters have been edited but that we chose to keep some of the invented spelling and other minor errors. It is our hope that you or the town board of trustees would be able to respond to these letters at your convenience. My email is alissa.kelly@millbrookcsd.org

Thank you,
Alissa Kelly & Maxine McGowan

I would like the

flooring because I

don't like sand bees.

They can sting you.

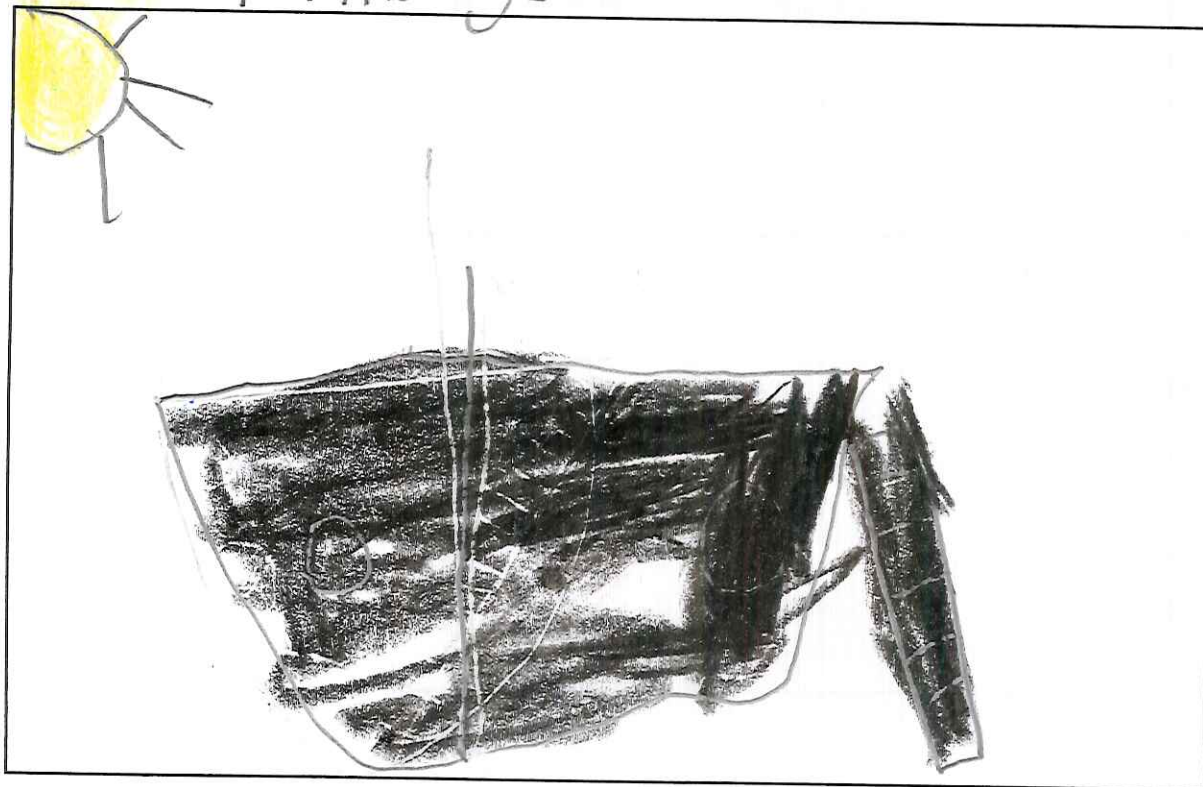

Also I like it colorful.

Dear Mayor Brown,
My favorite place in Millbrook
is the book store. I love
the bookstore because there are
games, books and some school supplies.
If I could change the bookstore
I will add learning games for
little kids that have to learn.
I love Millbrook.

Sincerely,

Jacqueline
