Kick Off Meeting  
Summary  
Monday, June 10, 2024  
City Council Chambers

Dave welcomed the Public Advisory Committee, or PAC, members to the meeting and introduced the consultant to lead the effort. Introductions were made around the table. Those in attendance included: Tammie Williams, Jessie Holben, Vicente Escalante, Jay Bales, Marie Rose, Jim Young, Dave Slaght, and Carla McLane.

Carla introduced the PAC to the grant requirements and outlined the identified tasks [see grant Tasks Memorandum]. This discussion also outlined the current regulation that is in place (Comprehensive Plan, Zoning Ordinance, and Subdivision Ordinance as well as other provisions within other titles of the municipal code). Members of the PAC were encouraged to spend some time on the city's website and review the ordinances that are currently in place as Titles 8 and 9.

A schedule for the PAC meetings was shared suggesting that the PAC meet once per month through January, moving towards a Joint Work Session in February, with public hearings to follow in March and April. The next meeting is anticipated to be in August.

After a short roundtable for the PAC members to share their thoughts the meeting adjourned.
