Meeting Summary
Friday, March 21, 2025
City Council Chambers

Those in attendance were Tammie Williams, Jessie Holben, Jay Bales, Vicente Escalante, Marie Rose, Jim Young, Dawn Hert, Dave Slaght, and Carla McLane.

Carla shared that her recent medical procedure impacted her productivity over the past couple of weeks but there are a couple of items for review – proposed Chapter 4 of the Development Code as revised and version 3 of the Comprehensive Plan with input from last meetings requests of certain members for review. The memorandum provided for this meeting outlines the changes in these two documents which also reflect the discussion.

Also provided for discussion was what is believed to be the current Zoning Map. There was a lot of discussion about residential zoning. There is also a mapping glitch that creates circles on the map. That does not reflect the zoning, but it is a glitch that we will work to clean up.

The next meeting will be April 4 with the intended items to be version 2 of the current Zoning Map, a final version of Chapter 4 of the proposed Development Code, a final version of the Comprehensive Plan, proposed final versions of Chapters 1 and 5 of the proposed Development Code, and Chapters 2 and 3 of the proposed Development Code for discussion.

After a short roundtable the meeting adjourned.
