MEETING NEEDS

Because Smokey would eat his grain and Spencer's we bring Smokey into the barn to eat while Spencer eats his grain outside. One morning due to a full schedule my time was limited after feeding the horses their grain. So as I opened the door to let Smokey out, Spencer came in. Well, normally we bring Spencer into the barn with a lead rope..and there he was. Not having the time to get the lead rope and get both of them out, I said to Smokey you will have to figure out how to do this with Spencer. In checking on them about an hour later both the horses were outside. Now, after feeding time Spencer comes in and they lick each other...on the neck, under the neck, on the mane and across the back.. amazing how they meet each other's needs. It is a good question to ask ourselves...are we meeting the needs of others? We are in need of volunteers any day and any time of the day so check your schedule and contact us.

Living well with arthritis

According to the Arthritis Foundation, *osteoarthritis* is a common condition of aging, affecting approximately 53 million people. Osteoarthritis results from the breakdown of cartilage in the joints and the subsequent growth of bone spurs that become inflamed, producing joint pain and limited movement.

Arthritis treatment options include:

- Various pain relief medications, depending on the type and severity of symptoms.
- Rest and relaxation.
- Instruction on the proper use of joints.
- Other pain relief methods, such as acupuncture.

Depending on the patient's specific condition, additional treatment recommendations may include using:

- Heat and cold.
- Joint protection.
- Assistive devices.
- Transcutaneous electrical nerve stimulation (TENS).
- Hydrotherapy or massage therapy

Get moving!

Exercise helps lessen pain, increases range of movement, reduces fatigue and helps you feel better overall. Your health care provider, a physical therapist, or other trained health professional can teach range-of-motion exercises and strengthening exercises that help with arthritis.

Resolve to reduce

Every extra pound you carry around translates into added stress on your knees and hips. Excess weight can mean more pain — no matter which form of arthritis you have.

If other treatment options haven't helped, an orthopedic surgeon may recommend surgery, especially if you're having difficulty performing tasks of everyday life.

To reduce your chances of developing arthritis:

- Maintain a healthy weight and don't smoke.
- Do regular, gentle exercise, including walking, stretching or yoga.
- Avoid repetitive motions and risky physical activities that can contribute to joint injury, especially after age 40.

FLOWER ESSENCES

Flower essences are homeopathic-like remedies made from the flowers of plants. They are used to help a person find healing on an emotional, rather than a physical or mental level. Dr. Edward Bach, an English medical doctor and homeopath, discovered how to use flowers for emotional healing and created the first 38 flower essence remedies, known collectively as Bach Flower Essences. He also created an "emotional first-aid" blend of five flower essences called Rescue Remedy, which is the most widely used flower essence product.

Nature's Sunshine has the **DISTRESS REMEDY**. It uses the same five flower essences in Bach's Rescue Remedy, plus two additional essences. **DISTRESS REMEDY** promotes aware-

ness in traumatic situations and eases stress. It is a good remedy to use whenever someone feels emotionally off balance. Flower essences can also be applied topically. This not only aids emotional healing, it can also aid physical healing. **DISTRESS REMEDY**, in particular, can be applied topically to help minor injuries heal faster.

The normal way to take a flower essence is to place 4-10 drops under the tongue and hold it there for a few seconds, then swallow. Use smaller doses for children and pets.

FRIENDS OF THE BRANCH RIVER

Thank you to all who joined in at a fantastic day at Dodge Preserve June 9! We had a great day, no rain, and enjoyed all the events! The event started either with a wagon ride down to the cabin or a beautiful walk on the amazing trails. Kids big and small waded into the river with Emily Endter learning the techniques to remove the invasive rusty crayfish and learn about river life. At Noon we hosted Dan Fager who began his talk about local Native American influence and history by playing an Indian Flute! We had a simple lunch and cookies from Cravings in Whitelaw, then Justin Kroening from Stone Silo Prairie talked about native perennial plants and brought some to give away. Lastly, we enjoyed a hike led by Jim Knickelbine—Executive Director of Woodland Dunes and amazing naturalist. A big thank you to Waste Management for your sponsorship as well as all who donated time and/or supplies to make this event possible and also to Carol Dodge and Rollie Olm for sharing their beautiful property with us! If you are interested in learning more about our amazing group, we'd love to have you join us! Contact Al Klingeisen with any questions, membership info, etc at (920)901-5166 or follow us on Facebook. Next meeting at Taus Town Hall August 6 at 6:30 pm! Please join us... free and open to public.

Reedsville Alumni Association News

Wait a minute...it's August already? Where did the summer go? Newsletters will be mailed by the middle of the month. If are celebrating the anniversary of your graduation this year, look for the letters in your mailbox or you email inbox. If you don't see it in your inbox, look in the junk box. Make sure you add reedsvillealumni@hotmail.com to you contacts so it does not go into the junk box.

Make your plans to attend the 61st Annual Banquet/Meeting to be held on Saturday, October 6, 2018. It will be held at Webster's again this year. See the newsletter for all the details. Come to the banquet to see how your board of directors are doing.

Those 4% of you who do support your alumni association (you know who you are,) try to get some of your relatives or classmates to join in the efforts to keep the organization doing good things for our Alma Mater. Have them pay their annual dues and come to the banquet to share their memories.

Thanks to the approximately 4% who support your organization. You know who you are.
