Reedsville Alumni Association News

Watch for the article in the November newsletter for the results of the spirit contest we sponsored during Homecoming for the students.

Let's make our 60th year a great one. Become an active member by paying your annual dues. It's not too late. If you were not at the Homecoming game to pay your dues in person, or if you have not mailed your dues in already, just mail the \$5 for 1 year or \$25 for 5 years to P.O. Box 431, Reedsville, WI 54230. Make checks payable to REEDSVILLE ALUMNI ASSOCIATION.

Peter Schmidt contacted us again to let us know that he is planning to attend Countryfest in November. If you haven't already purchased his book "Move Over Milan, It's Reedsville Turn" you will be able to purchase one. Or if you have a book he will sign it for you.

Thanks to the approximately 4% who already support your Alumni organization. You know who you are.

Reedsville High School Alumni Association - Promoting Panther spirit beyond graduation.

THANK YOU!

The Shoot For Coop Benefit Committee would like to THANK all the donors for your generosity for the items donated for the 2017 Benefit. Also, thank you to the local community for coming out and supporting this years event. Once again your generosity will make it possible for us to fund COOPERS FUN NIGHT at Children's Hospital along with continuing to support local charities and helping local families in need.

INTESTINAL MICROBIOME

The gut contains trillions of microorganisms..6000+ bacterial species which consists of 4-6 pounds of body weight!

The cells that line the gut are like a fortress. They work to keep the good things in (nutrients, vitamins and minerals) and the bad things out (chemicals, toxins, etc.). To a significant degree, our metabolic health is determined by the success of our fortress. When toxins in our gut leak out into the rest of the body, our white blood cells go to work and trigger inflammation--the natural enemy to a fully functioning metabolism. Think of your microbiome as your internal fountain of youth. The more healthy and vibrant your core, the more healthy and vibrant you are.

Hippocrates knew that everything starts in the gut. The health of the microbiome (gut) affects the skin, the immune system, blood sugar, hormones, cardiovascular system, nervous system, respiratory system, glandular, system, and your weight.

Can normal weight "skinny people" develop pre-diabetes (metabolic syndrome)? Yes, 1 in 4 skinny people have pre-diabetes and are metabolically obese.

The IN.FORM program starts with the gut. Learn this and so much more at an IN.FORM class. The bio-tracker not only charts your weight but tracks your percent of fat, percent of water, visceral fat, muscle mass, bone mass and your metabolic age.

This is no longer considered a weight loss program because it promotes healthy living for you and your family. And by doing the IN.FORM program you will lose weight if you need to.

SUNRISE HORSE FARM, INC

17226 Limekiln Road • Reedsville, Wisconsin 54230
www.sunrisehorsefarm.org • 920.772.4135

Due to a lack of extra consistent help Sunrise Horse Farm is scaling back to two horses for the time being. We will be keeping Smokey, who is the most curious horse and loves to "ham it up" by whirling his tongue around his face to make you laugh or banging on the gate to make sure you know he is around. He is 23 this year and acts like a young horse which is fun for everyone. And then Spencer, the blind horse, will be staying because of his gentle manner and how he touches everyone's heart. Sadie, Star, and Saron will be returning to their previous homes and we appreciate the impact that each of these horses have brought to the many children and teens that have had fun with them. They each have their own personality for touching hearts and over the years have brought many smiles to each individual as they brushed them, feed them or rode them. They will indeed be missed by everyone and there has already been tear-filled eyes when we made the decision.

With the fall and winter schedule, we will still maintain the same program and are in need of volunteers any day and any time of the day.

On another subject.. the shoe program. The 195 bags that were shipped weighed 4992 pounds so we received a check for \$499.20!!

Thank you to everyone that donated shoes. We appreciate your kindness.
