

HUMPTY DUMPTY EGGS, INC.
1208 HUMPTY DUMPTY ROAD
REEDSVILLE, WI 54230

Humpty Dumpty Eggs, Inc. was founded in 1956 by Elmer and Joy Brandt. The company is currently owned and operated by Paul Brandt and Mark Brandt, two of their sons. From the early days of purchasing eggs from area farmers to wash, grade and sell, the business has grown to an operation housing 75,000 chickens. The eggs produced are washed, candled, graded, packaged and direct marketed to over 250 customers within a 150-mile radius of Reedsville. We currently have four delivery trucks and we employ 15 people. Our customer base includes restaurants, hotels, supper clubs, hospitals, nursing homes, grocery stores, convenience stores and foodservice manufacturers. We also sell further processed eggs, along with butter, cheese and other related dairy items on a wholesale level.
