Gifts That Foster Hope

Foster Care Fundraiser 2026

Many families that are working with the Children, Youth, and Families Unit in our community need support when going through hard times and this includes our local foster families and children. In order to help support these families during the holiday season and beyond, Apparitions M.C. and ABATE Region 8D of Green County hold a fundraiser to raise money and get gifts for the holidays, birthdays, special events, and more. The Apparitions M.C. and ABATE Region 8D will also be hosting a "Fill the Trailer" event later this fall.

In addition to ensuring that our kids and families have gifts for special holidays, the money that has been raised in previous years has been able to help in numerous ways. Due to the generosity of our community, we have been able to help many families by paying for:

Driver's Education
for a teenager

Daycare costs for a
Grandparent taking in
their 3 Grandkids

Work clothes for a
teen's first job

Gas cards to help
families get to their
appointments

Soccer gear and
equipment for a high
schooler

Tuition for an online
program that helped a
kid graduate early

Football equipment
for a kids' senior
year

We are getting ready for our 2026 Gifts That Foster Hope fundraiser scheduled for Saturday, November 14, 2026 starting at 5pm at Bennet's Junction House (N3693 County Hwy J Monroe, WI) and we will be looking for donations again. We hope to have another successful year in helping our foster children and families have a great holiday season and beyond. There will be food available, a cash bar, as well as raffles, a silent auction, live auction, and music.

The Apparitions Motorcycle Club and ABATE Region 8D will be hosting a "Fill the Trailer" event at Walmart later this fall. If you'd like to donate directly, they request that checks are made out to "Gifts That Foster Hope" and are sent to Green County Human Services at N3152 State Rd. 81 Monroe, WI 53566. In the memo of the check, please put "GCHSD". Helpful donations come in all shapes and sizes!

Thank you again for your support of Green County's foster children and families!

Sincerely,

Katlyn Graebner
