

Town of Fairfield

Sauk County

2026 Seal Coating Bid Specifications

**AGGREGATE TO BE PRICED WITH 3/8 Dark Granite Chips
(Sample of Aggregate may be requested before being awarded)**

Contractor must furnish PG 58-28 with 5% Cutback Liquid Asphalt, furnished by and blended at a State of Wisconsin and AASHTO* certified liquid asphalt production facility, proportioned with a certified scale and power mixer blended to specifications, heated to 350 degrees and applied. Bid must list each Road Name, Length, Width, and Total Cost of each Road and Grand Total Cost. Must specify proper surface treatments. Contractor to furnish, haul, place 3/8 Dark Granite Chips (Quartz Material is not accepted). Aggregate must be approved by Town Board. Sample of Aggregate must be supplied if requested, or if the contractor has not used in Town previously. Contractor must have a one-year warranty written on the face of contract. The written one-year warranty gives the Town one full calendar year from date of placement to inform the contractor of any issues. Excessive aggregate will be the contractor's responsibility to remove if town request. Each Bid must be accompanied by a Certificate of Insurance with the Proper Liability Limits.

The Town of Fairfield reserves the right to accept or reject any or all bids or accept the most advantageous bid to the town.

***AASHTO – American Association of State and Highway Transportation Officials.**
