SECTION 5: VEHICLE WEIGHT LIMITS ESTABLISHED

(A) Pursuant to the findings under Section 4, above, and by authority of Section 4902 of the Vehicle Code and the regulations promulgated thereunder, no motor vehicle or combination

shall be operated upon any of the roads listed in Section 4 with gross weight in excess of the weight limits listed for said road in Section 4.

(B) Local traffic as defined herein shall be exempted from the restrictions imposed under Section (A) above; however, if the Board of Supervisors determines that any local traffic is likely to damage the road, the Board of Supervisors will so notify the registrants of the motor vehicle or combination and will also notify the State Police. After two (2) business days following delivery of the notice, or after five (5) days following mailing the notice, such local traffic vehicles shall not exceed the weight limits except in accordance with Section 6 hereof.

SECTION 6: PERMITS AND SECURITY – The Board of Supervisors of Jackson Township may issue permits for the movement of motor vehicles or combinations with weights in excess of the restrictions imposed under Section 4 above and may require such undertaking or security as they deem necessary to cover the costs of anticipated or probable repairs and restoration necessitated by the permitted movement of vehicles.

All actions taken under the authority of this section shall be taken in accordance with the rules and regulations adopted by the Commonwealth of Pennsylvania, Department of Transportation, as found in Title 67 of the Pennsylvania Code.

SECTION 7: ERECTION OF SIGNS – The Township shall erect or cause to be erected and maintained restriction signs designating the restrictions at the end of the portion of roads restricted as provided in this Ordinance. In the case of a restriction on a road which has not begun or ended at an intersection with an unrestricted highway, the Township shall also place an advance informational sign at the intersection nearest each end of the restricted portion of the road, which would allow drivers to avoid the restricted portion of the road.

SECTION 8: PENALTIES FOR VIOLATION – Any person operating a motor vehicle or combination upon a road or bridge in violation of a prohibition or restriction imposed under Section 4 is guilty of a summary offense and shall, upon conviction, be sentenced to pay a fine of \$75, except that any person convicted of operating a vehicle with a gross weight in excess of a posted limit shall, upon conviction, be sentenced to pay a fine of \$150 plus \$150 for each 500 pounds, or part thereof, in excess of 3,000 pounds over the maximum allowable weight.

SECTION 9: SEVERABILITY – The provisions of this Ordinance are severable. If any sentence, clause, or section of this Ordinance is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality, or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses or sections of this Ordinance. It is hereby declared to be the intent of the Board of Supervisors of Jackson Township that this Ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause or section not been included herein.

SECTION 10: EFFECTIVE DATE – This Ordinance shall become effective five (5) days after its enactment.

SECTION 11: REPEALS – All ordinances or parts of ordinances inconsistent with this Ordinance are hereby repealed insofar as they may be inconsistent herewith.
